From the Editor . . .

Hi Fellow Golfers!

Congratulations to Don Beams and Zelko Bilandzic on reaching the final of the Handicap Match Play Championship and we wish both players all the best in their upcoming match.

Come on Pennant players, we need to get Echunga back into the winner's lists again.

Well done to the ground staff for the course improvements work they have been carrying out.

To Alan and his helpers your, cleaning up of the rough areas has made the course look so much better. Well done.

Any items of interest, achievements, stories and news etc. please drop them in the putter box on the bar or send me an e-mail at ryeates@senet.com.au Until next month, good golfing.

Now is this taking it a bit too far Wal!!!!

Echunga juniors have now moved into the big league.

Congratulations to Brad Spaven and Billy Cawthorne on being selected in the Simpson Cup Squads for the Kooyonga Golf Club and the Royal Adelaide Golf Club respectively.

Both boys have had good results in the Bonnar Cup competition so far and Billy was rewarded by being promoted to the Simpson Cup Team for Royal Adelaide on the 2nd June. This is a great achievement. Well done Billy.

Repairing your damage to the course

Reports are continuing to highlight the fact that there are players not repairing the damage they have caused when playing shots.

Another messaged was received this week.

“Divots - A committee person playing early Saturday morning (7.30am) noticed numerous fresh divots. My playing group were very busy filling extra divots. Perhaps it is worth identifying these earlier time slots as members that don’t fill divots. We can only hope that the message may get through.”

Online Booking System

The online booking system will come into effect for the competition on July 13th, with bookings opening on the Thursday 9 days prior (4th) at 3 pm. All relevant information is now on the website (click on the Frequently Asked Questions link below the Member Login button). The system is open for testing and over the coming weeks I suggest everyone logs in, checks their details, changes their passwords and makes some test bookings to get a feel for the system.

Prior to the July 13th booking sheet all bookings made online will not apply and are simply open to allow members to test the system. Members should read the FAQ thoroughly as this should answer the majority of questions, any additional questions are best made via the club email address: info@echungagolf.com.au or <mailto:info@echungagolf.com.au>.

Members are reminded that this system is new to all of us and you will need to be patient whilst we work through any issues. Running this system through the winter should minimise any disruptions and ensure that preliminary kinks are worked out prior to when the finer weather and greater demand for tee times arrives.

NTP 10th Hole

The new markers required for our NTP on the 10th hole have now arrived and as such this new NTP will be in place for the competition from the 15th June. Players should remember that this is graded, with a NTP for the A & B grade (RED MARKER) and for the C & D grade (YELLOW MARKER). Please make sure you check your grade and the relevant marker before writing your name on the NTP sheet.

Mud Rule

The Match Committee has decided that a mud rule will now be in place due to the recent heavy rain. Players should seek confirmation from their marker that there is mud on the ball prior to marking it, lifting and cleaning the ball, and then REPLACING ON THE SAME SPOT. Players are also reminded that the spirit of this rule revolves around having clumps of MUD on their ball, and does not apply to a ball which is simply dirty.

1st June Competition

Those who ventured out to the club on the 1st of June for the Monthly Medal competition were initially greeted with a wet day with drizzly rain and showers, although the course was holding up quite well.

Unfortunately at around 11:30 am the heavens opened and in the space of around 5 minutes the course became unplayable. Fairways turned to rivers, greens turned into pools and putting became impossible. This weather didn't let up and in the end the competition had to be cancelled with only a handful of hardy souls managing to finish. As the competition was Monthly Medal, Legacy Day and the 2nd round of the Captain's Trophy it has been decided that these will be rescheduled to Saturday 29th June. If it is again unplayable the June Monthly Medal will be abandoned and the Legacy Day and Captain's Trophy will be moved to the following week, which is the July Monthly Medal.

Given we are now moving into the wetter part of the season some changes to the schedule are anticipated so check back here and the notice board / leader board at the club for any changes.

The Agony of Aging

On the morning that Daylight Savings Time ended I stopped in to visit my aging friend. He was busy covering his penis with black shoe polish.

I said to him,

"You better get your hearing checked
You're supposed to turn your clock back".

Out and About

The Vines 23rd May

Lisa partnered Ann Binney and I played with Ann M in this two ball better ball game. After days of rain or near constant drizzle, we were greeted by perfect weather – warm with clear blue skies – such a pity that our golf was not of the same delightful standard.

As usual the fairways were looking immaculate, but under the trees was a different matter with many balls landing against fallen debris much to the players' irritation. Lisa finally accepted the inevitable and viewed the day as an excellent opportunity to practise her bunker play – and soon she was hitting out in one each time!

Eight clubs were represented but the home players dominated, winning all but one of the prizes. The winning score was 46.

Strathalbyn 7th June

After a slow start to registration, four pairs drove down to Strath to play in their Mexican Stableford (our Multiplication Stableford plus optional costumes). Unintentionally, we didn't play with our usual partners and we all enjoyed the change! We were: Val/Wendy, Leonore/Janet, Pat U/Minnie and Cil/Libby and were in a field of 26.

We were greeted by clear blue skies, a big box of pears and apples to provide morning tea, raffle tickets and homemade biscuits – plus of course Mexican atmosphere. Many players sported sombreros; fewer had moustaches and ponchos; a smattering of Spanish was heard; the room was decorated with cacti, Mexican artwork and artifacts.

Val Nairn with her Mexican friends

As the course is under continuing improvement work, there was preferred lie; as half (lengthwise) of several fairways was basically GUR we had an extra opportunity to place the ball on a tuft of grass thanks to their local rule.

Would you believe “Pedro Pat” Umlauf?

The par three 6/15 was a course highlight. As we approached, they heard a tremendous noise: one part cheering voices, the other part an amazing din of bleating. All was clear as we exited the trees: five men were manning the fire/cevapi/port/betting duties and heckling the women to get the ball on the green. The paddock beyond the hole was white with frantic mothers and errant lambs shrieking at each other! No-one had reached the green by our second time round so the odds were great – sadly I missed by a couple of centimetres and failed to putt the birdie (for which odds were also offered). By then we learnt that one player had almost hit the donkey (not the poor spotter in the ravine but the effigy) and the winner was Minnie (rumour has it that she mishit on purpose!!)

Minnie won “Nearest the Donkey”

Even a couple of showers could not spoil our day. The Strathalbyn ladies are always so welcoming and friendly. We enjoyed our lunch of – tortillas (of course) and fruit crumble. Val won nearest the pin with a birdie on the ninth. Captain Linda revealed that the way to improve Libby’s golf is to ply her with port. Minnie, Libby and I compared notes about hitting out of the muddy side of the dam. Cil and Minnie won raffle prizes. A team from Flagstaff Hill won the day with Tailem Bend second and Echunga third.

PERSONAL ACHIEVEMENTS

Alan Norman –

Eagle on the 15th on Saturday 15th May

David Manning –

I would like to thank all members who rushed up to me to tell me (with a smile on their face) that I forgot to sign my card on Saturday 27th May.

It was my best game for some time and in future I will make sure my card is signed

Mick Healy –

In the Stroke Competition held in May, Mick had a score of 39 for the first nine.

Pity he can't putt as well as he can hit the ball because he had 20 putts in the 39 shots

THE RECESSION HAS HIT US ALL

Nic McNicol

Is he having a hard time or was Hamilton cooling off after a hard game?

Saw Hamilton wading in the dam the other Saturday and as the day was cold it is assumed that he was not cooling off but looking for golf balls because his father (being a true Mc) was not prepared to buy new balls for him.

Captain Keith Bywaters recently decided to not park in his designated parking bay. He borrowed the sponsor's bay, further away from the clubhouse.

A 4WD was backed out of its nearby bay and "sat on" the bonnet of Keith's car, as the 4WD's wheels dropped into the gutter in front. More details see Keith.

The Italian Secret to a Long Marriage

At St. Peter's Catholic Church in Adelaide, they have weekly husbands' Marriage seminars.

At the session last week, the priest asked Giuseppe, who said he was approaching his 50th wedding anniversary, to take a few minutes and share some insight into how he had managed to stay married to the same woman all these years.

Giuseppe replied to the assembled husbands, 'Wella, I've tried to treat her nicea, spenda da money on her, but besta of all is, I tooka her to Italy for the 25th anniversary!'

The priest responded, 'Giuseppe, you are an amazing inspiration to all the husbands here! Please tell us what you are planning for your wife for your 50th anniversary?'

Giuseppe proudly replied, " I gonna go pick her up."

Congratulations!

Matt and Kirsty Hickman on the arrival of their third son, Tate Lucas on the 22nd April. A brother to Aaliyah, Logan and Evan.

Four more boys to make a pennant team!!!!
Best wishes from all at EGC.

Members Feedback

If members have concerns about the course or the issues relating to the club could they put their concerns in writing and forward by mail or email to the committee via the secretary.

Casual conversations on and off the course can often be misinterpreted and not recalled correctly when being repeated and when done during play can lead to slow play.

The Hypnotist

It was entertainment night at the senior citizens' centre.

After the community sing song led by Alice at the piano it was time for the Star of the Show- Claude the Hypnotist!

Claude explained that he was going to put the whole audience into a trance.

"Yes, each and every one of you and all at the same time." said Claude.

The excited chatter dropped to silence as Claude carefully withdrew from his waistcoat pocket a beautiful antique gold pocket watch and chain.

"I want you to keep your eyes on this watch" said Claude, holding the watch high for all to see.

"It is a very special and valuable watch that has been in my family for six generations" said Claude. He began to swing the watch gently back and forth while quietly chanting

"Watch the watch --- Watch the watch ----Watch the watch"

The audience became mesmerised as the watch swayed back and forth.

The lights twinkling as they were reflected from its gleaming surfaces.

A hundred and fifty pairs of eyes followed the movements of the gently swaying watch.

And then, suddenly,

The chain broke!!!

The beautiful watch fell to the stage and burst apart on impact"

"SHIT" said Claude.

It took them three days to clean the Senior Citizens' Centre

And Claude was never invited to entertain again!

Granddad and the dunny

Poor old Granddad's passed away, cut off in his prime.

He never had a day off crook – gone before his time.

We found him in the dunny, collapsed there on the seat.

A startled look upon his face, his trousers round his feet.

The doctor said his heart was good – fit as any trout.

The Constable he had his say, "foul play" was not ruled out.

There were theories at the inquest of snakebite without a trace.

Of redbacks quietly creeping and death from outer space.

No-one had a clue at all – the judge was in some doubt.

When dad was called to have his say as to how it came about.

"I reckon I can clear it up," said dad with trembling breath.

"You see it's quite a story – but it could explain his death."

"This here exploration mob had been looking at our soil.

And they reckoned that our farm was just the place for oil.

So they came and put a bore down and said they'd make some trials.

They drilled a hole as deep as hell, they said about three miles.

Well, they never found a trace of oil and off they went, post haste.

And I couldn't see a hole like that go to flamin' waste.

So I moved the dunny over it – real smart move I thought.

I'd never have to dig again – I'd never be "caught short."

The day I moved the dunny, it looked a proper sight' But I didn't dream poor Granddad would pass away that night.

Now I reckon what has happened – poor Granddad didn't know.

The dunny was relocated when that night he had to go.

And you'll probably be wondering how poor Granddad did his dash.

Well, he always used to hold his breath – until he heard the splash"!!
