## From the Editor . . .

Hi Fellow Golfers!

Unfortunately the weather has not been kind to us on some of the recent Thursdays and Saturdays. This has meant rescheduling the program so watch for these changes.

Congratulations to John, Joel and Anthony on their work around the course. The extra drains they have constructed and the paths they have laid to avoid some of the problem areas has meant that the course has been playable most weeks, even though we have had rainfall which in previous years would have closed the course. Therefore competitions have been played at Echunga on most weeks.

In the Clubrooms a new self serve coffee machine has been installed and the new cool room has also been installed and this will eliminate several small fridges and give Heather more fridge capacity when catering for special events.

Any items of interest, achievements, stories and news etc. please drop them in the putter box on the bar or send me an e-mail at [ryeates@senet.com.au](mailto:ryeates@senet.com.au) Until next month, good golfing.

**Options when Echunga course is closed**

Another option for those still wanting to play a round on a Saturday when our course is closed is Fleurieu Golf Club at Mt Compass whose course drains very well being built on sand.

Matt, the pro down there will give our members a special rate of \$24 if you mention you are from Echunga and our course is closed.

## Captain's Report

### Wet Weather Policy

The cancellation of competitions is never the preferred outcome of the Match Committee and it has been decided that a competition will be held regardless of the weather forecast. The only reason a competition will be cancelled before the day will be if the actual course has been closed, with this based on our green staff's recommendations.

A course closed message will be placed on the website as soon as a decision is made.

Therefore members will not need to ring the club or ask our bar staff if a competition will be held. If the weather proves to be poor during the day the Match Committee will make a decision on the competition, taking into account the number of players, cards returned, cards not returned etc. If a competition is subsequently cancelled during the day, players who have paid their competition fees

will be entitled to a credit for the next competition they enter.

It is hoped that this procedure will alleviate the need for people to ask if a competition will be run, as if the course is deemed fit to play a competition will **always** be held.

## **Online bookings**

The online booking system is now live. For those who are yet to make a booking all the required information should be within the Frequently Asked Questions document which can be found below the Member Login button on the website. Whilst the first official week was unfortunately a cancelled competition it was good to see the number of people who removed their names from the booking sheet.

Players are reminded that whilst in the interim some leeway will be provided to players not removing names, we will be looking to police this more and more as the weather improves and bookings become full. Whilst a warning system will be in place, repeat offenders will have their booking privileges removed.

It has been pleasing to hear all the positive feedback around the system and the ease of use that players have had with making bookings. As with all change this is a learning curve for all members and the committee, so patience is needed, but by and large things seem to be working okay. To strengthen this and the new leader board and score entry system a new computer system will be placed within the office, minimising any down time and ensuring the full system is robust and secure, with all of these changes being positive moves for our members.

# **Out and About**

## **August 2<sup>nd</sup> Mannum Open Day**

Six players from Echunga were part of the 40 strong field on this Open Day. It was cold and windy, but the course was in excellent condition with lots of roll.

Heroine of the day was Janet who won both C grade and nearest the pin.

She also snared her usual raffle prize!!

## **August 9<sup>th</sup> McLaren Vale**

Nine clubs were represented by 52 players (6 from Echunga) in this Stableford game. The weather was quite kind with only a few light showers and a fickle wind to contend with. The course was beautiful with plenty of roll and its now normal (it seems) winter additions of a shortened second hole, water before the green on the 3rd and this year a replacement green on the fourth.

The 3/12 was a favourite with the men plying us with port, cheese and biscuits and taking our bets for getting onto the green (sadly for our group it was the staying on the green that was difficult!). They raised \$148 despite doubling the odds on the second time round!

There was a generous raffle where Leonore and Beatrice were lucky. Only B grade achieved the high scores we expect at this club with the winner scoring 44 points. A and C grade winners came in with 34. Congratulations to Veronica and Janet who played well to receive prizes in B grade.

## The Koala and the Lizard

A koala was sitting in a gum tree smoking a joint (as they do!) when a little lizard walked past, looked up and said, 'Hey Koala! What are you doing?'

The koala said, 'Smoking a joint, come up and have some.'

So the little lizard climbed up and sat next to the koala where they enjoyed a few joints. After a while the little lizard said that his mouth was 'dry' and that he was going to get a drink from the river. The little lizard was so stoned that he leaned over too far and fell into the river.

A crocodile saw this and swam over to the little lizard and helped him to the side. Then he asked the little lizard, 'What's the matter with you?'

The little lizard explained to the crocodile that he had been sitting with the koala in the tree, smoking a joint, but got too stoned and fell into the river while taking a drink..

The crocodile said that he had to check this out and walked into the rain forest, found the tree where the koala was sitting finishing a joint.

The crocodile looked up and said, 'Hey Koala!'

So the koala looked down at him and said, 'Bloody Hell,

How much water did you drink!?'

## **The other cubicle...**

Travelling down the coast road I needed to use the toilet. I stopped at a rest area headed for the toilet, went into the cubicle and this is what happened...

**"Hi, how are you?"**

Now...I'm not the type to start a conversation in a toilet and I don't know what got into me, but... I answered...

**"Doin' just fine!"**

then the other person said:

**"So what are you up to?"**

What kind of question is that?  
I'm thinking.... this is too bizarre...  
so I said:

**"Uhhh, I'm like you, just traveling!"**

At this point I was just trying to get out as fast as I could when I heard another question.

**"Can I come over?"**

OK, this question was just too weird for me but I figured I would just be polite and end the conversation...  
so I said:

**"No.. I'm just a little too busy right now !!!"**

Then I hear the person say nervously...

**"Listen, I'll have to call you back. There's an idiot in the other cubicle who keeps answering all my questions."**

Mobile phones, don't you just love 'em!

In all of the words listed, if you take the first letter, place it at the end of the word, and then spell the word backwards, it will be the same word. Did you figure it out? No?
