From the Editor . . .

Hi Fellow Golfers! Thanks to the weather we have managed to get through June and July this year with only minor interference, which has been great for playing golf and the operation of the club.

Hopefully the current wet weather will not have a great impact on the course usage and we can still get out onto the course and enjoy our golf.

The AGM is approaching and those wishing to nominate for the vacant committee positions are required to nominate by Saturday, 30th September. Well done to the volunteer group on their efforts in clearing the overgrown areas of the course.

If you have any news items, stories, achievements etc. please drop them in the putter box on the bar or e-mail me at randryeates@gmail.com.

Until next month, good golfing.

Carts on course

Unfortunately due to the high rainfall and nature of the course, there are times through the winter months where the club is forced to ban the usage of ride on carts in order to protect the course. This decision is not taken lightly and is done with the condition of the course as the main priority.

The latest detail on if carts are currently allowed on the course can be found on our web site.

This information will always be current and will be updated by 5:00 pm anytime a change is made.

Junior Clinics

Hi all. We have had a wet July, however we did manage to have a clinic. We moved the clinic to the last week of school holidays and combined the group to avoid the showers forecast for later in the afternoon. We had a few new faces and had great feedback from the parents. The next scheduled clinic is August 13th.

Also remember to keep an eye on the Echunga website homepage and please leave a contact number when registering, so we can contact you if we need to cancel/change the clinic due to wet weather.

Good luck to Mitchell and Charlie from St Michael's Hahndorf in the Primary Schools Golf Championships finals 31/8- 1/9/17
Thanks to all who help out with junior events and clinics.

Volunteer Group

The volunteer group have been busy around the course and in particular, they have cleared several areas amongst the trees. The rough is not quite so now, due this group's efforts. Hopefully the mowers can now get into these areas of rough, to keep the grass down.

Part of the tidy up has resulted in several bonfires to get rid of the gathered undergrowth.

If you are able to assist on these working bees on a Tuesday, contact Allan Horsfall. (After the wild winds of last Friday and Saturday the 29th and 30th July, I am sure there is plenty more work to be done.)

Out and About

Country Week

Bronze Shield Naracoorte

On Monday 24th July, Esther and I travelled to Naracoorte to play at Golf SA Country Week. Arriving at the course in the afternoon we had 9 holes of practise. This was very useful for me as I had been overseas for 4 weeks, returning on the Saturday prior and suffering jet lag, I needed to try to remember how to hit the ball. The greens we discovered were very smooth and slick. After the customary welcome party where we received a "goodie bag" containing vouchers for shopping at many local businesses, Esther was drawn as a member for the Country Team event and we retired to our cabin at the nearby caravan park.

As there were only 70 players at the event, we all had morning tee times either from the 1st or 10th for the two days. The weather was very pleasant with the forecast rain arriving late on Tuesday, after we had finished playing. Unfortunately, neither of us played very well.

Local Naracoorte players featured amongst the winners, with the overall winner being an 82 yr old playing at her first Country Week. The Country Team were winners over the City Team by 14 pts.

An excellent dinner, with food by a local caterer concluded the day on Wednesday.

Thursday was the foursomes, where I played with Mel from Stirling and Esther was paired with a player from TTG. Windy and cool conditions

prevailed and the day was won by a pair from Kingston, with Naracoorte runners up.

Bronze Plate South Lakes

Leonore and Janet represented Echunga at this event. While Janet stayed at Goolwa, Leonore drove down each day from Hahndorf.

Although this must have been tiring, she played exceptionally well, scoring 41 pts in the windy conditions on the Tuesday and 41 again on the Wednesday. Overall she was runner up for the Bronze Plate and runner up Veterans' Trophy.

At all the other Country Week events it was announced that a "91 yr old from Echunga was the runner up at South Lakes", Leonore is legendary! Janet also played well, coming 5th overall from a field of 120.

Alas, their form did not continue for the Foursomes.

We all enjoyed our time at Country Week.

Susan Telfer

5 Fun Facts about South Australia!

1. South Australia produces half of Australia's wine volume.
2. South Australia's outback town, Coober Pedy, is known for its status as the biggest opal-producing area in the world. Half the population also live underground due to the extreme summer temperatures
3. South Australia is also home to the world's largest cattle station. At roughly 24,000 square kilometres, Anna Creek Station is larger even than Israel or Belgium, and eight times the size of the largest ranch in the United States.
4. The new Royal Adelaide Hospital, upon completion, will be the third most expensive building in the world, at a cost of \$2.7billion Australian.
5. Adelaide's exotic Botanic Garden has the largest and oldest glasshouses in the Southern hemisphere

PENNANTS

Our 3 Teams all played their respective Grand Finals at the Hahndorf Golf Course on Sunday 20th July, but unfortunately all lost 3 - 4.

As the final scores show, all games' matches were close with the result possibly either way, but it was just not Echunga's day.

Thanks and congratulations to all players for doing their best and playing the game in the true spirit – competitively, but friendly.

Getting 3 teams out of 4 into the Grand Finals is quite an achievement for a small Club like ours and next year it will be better.

Taken from the August 1997 Putter

15 Years ago

Looks like Club Vice-Captain, Matt Hickman is making a new career move, that of Male Model. Check out the Pete's Golf Factory ad on the back of the Victorian "Golfer" magazine.

Young junior Vivian Smith will soon represent his school and District in the SAPSASA Junior Golf Tournament. Going on the way he is playing at the moment he could do quite well. Good Luck Vivian.

Pennants

The 2007 pennant season has come to a close and as stated previously it has been a good one for the Echunga Golf Club. From our four teams that were in finals we won two pennants including winning the Von Doussa Shield for the third time in four years. This shield is presented to the team that wins Club Grade 1 in the SGG. This is the highest grade obtainable in the SGG.

Club Grade 1

In the final, Echunga met South Lakes at Victor Harbor which eventuated into an enthralling contest. Because of the withdrawal on Saturday of one of our players due of illness, the team went into the final slightly unsettled. At the completion of all seven matches the scores were even with Echunga winning three matches and South Lakes winning three and one match being halved. This meant that Andrew Pole who the day before was going to play in Team Grade Division 1 had to play extra holes to decide the match. After holding his nerve on the 19th he was able to come away with a win, after his opponent 3 putted. The members of this team for the final were Ben Slack (Captain), Matt Hickman, Hara Taverna, Mike Haslett, Bill Guy, Trevor Huckel and Andrew Pole. Congratulations to this team on another outstanding effort.

Team Grade Division 4

For this team it became third time lucky in this year's final. This team has made the final of this grade for the last three years and eventually won the pennant defeating Victor Harbor at Mt Barker 4 and 3. To consider that this team had only one win at the half way mark of the season and then not to lose another match for the rest of the season was an

A photograph of two men standing indoors, likely in a hall or office. The man on the left is wearing a red polo shirt and dark trousers, holding a large wooden plaque with a silver shield in the center. The shield is surrounded by many small, rectangular nameplates. The man on the right is wearing a light-colored shirt and khaki pants, also holding a similar large wooden plaque with a silver shield and nameplates. They are both smiling at the camera. In the background, there are framed certificates on the wall and an "EXIT" sign above a doorway.

Taken from the August 2007 Putter

5 Years ago

2012 Pennant Season Scorecard

They finished their season with 4 Wins and 1 Half.
In their final at the Mt Barker course, they defeated
Victor Harbor 5/2

Finished their season with 4 Wins and 1 Loss
In their final at the Victor Harbor course, they
defeated Murray Bridge 5/2

Finished their season with 4 Wins and 1 Loss
In their final at the Mt Barker course, they defeated
Victor Harbor 6/1

Unfortunately in incredible circumstances the B1 team who went through the season undefeated, missed out on the final. After finishing the season with 1 win and 4 halves and 19.5 games won, they lost on a count back for whole games won. Our B3 and Handicap teams both finished the season in 5th place with 1 and 2 wins respectively.

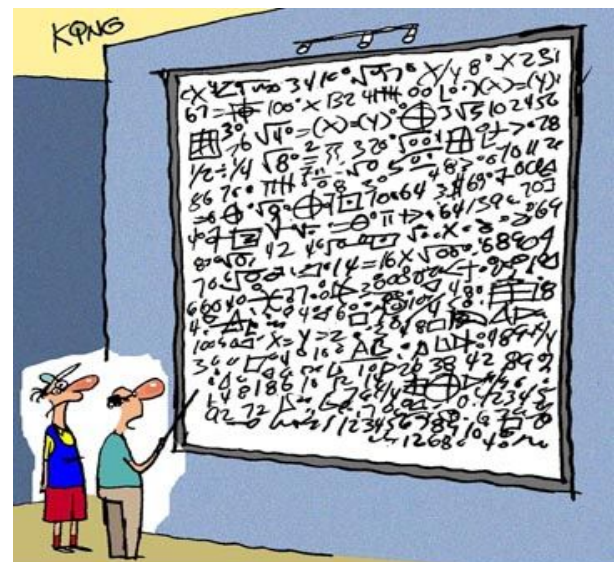

Matt Hickman
Pennants Co-ordinator

From the President

Club Lease At the end of July we were pleased to be able to sign off on the Lease Agreement with Council. This has been an ongoing exercise for almost three years and needed some fine tuning at the end. What we have agreed to with Council is that for the period of 21 years, the Echunga Golf Club will lease the course from Council for a peppercorn rental of \$1 per annum. In agreeing to that arrangement, Council has required the club to provide a reviewed strategic plan every 5 years which demonstrates our Not for Profit status and an ongoing Community benefit.. Up until this year our arrangement with Council, was formalised through a Management agreement via the Echunga Recreation Grounds Committee and reviewed every 5 years. This new agreement provides a much stronger level of independence and security for the club and establishes a secure base from which the club can continue to grow. It took a long time to go through all the hoops and mazes. We can now proceed to work with Council and the Rec Board to establish formal agreements with respect to access to Waste Water which adds an important level of security to the whole community.

Creagh Bedson President

Taken from the August 2012 Putter

"I'll be with you in a moment. I'm still trying to add your score from today's game."

The True Rules of Golf - Part 4 of 4

There are two things you can learn by stopping your backswing at the top and checking the position of your hands: how many hands you have, and which one is wearing the glove.

Hazards attract. Fairways repel.

You can put "draw" on the ball, you can put "fade" on the ball, but no golfer can put "straight" on the ball.

A ball you can see in the rough from 50 yards away is not yours.

If there is a ball in the fringe and a ball in the bunker, your ball is the one in the bunker

If both balls are in the bunker, yours is in the footprint.

Don't buy a putter until you've had a chance to throw it.

Marking Position of Ball during Play of a Hole

A question that some amateur golfers seem to have a problem with, is which Rules situations require the position of a ball to be marked and which do not? An easy rule of thumb to assist you with this question, is that when the ball is to be replaced at the same spot it was lifted from, it Must be marked before it is touched.

The ball has to be marked before being touched

- On the putting green, Rule 16-1b.
- For identification, Rule 12-2. Note that this is one of the most frequently breached Rules; you are not permitted to touch your ball in play to positively identify it without marking it first,

even if you merely rotate the ball on its spot and do not lift it.

- Ball assisting play, Rule 22-1. Note that the ball marker does not have to remain immediately behind where the ball was at rest. In order to avoid mental interference to the other player while the stroke is being made, once the ball marker has been placed where the ball was at rest the player might measure one or two club-heads to the side or even a club-length to the side, providing the routine is accurately reversed when it is being replaced.
- Ball interfering with play, Rule 22-2. (Note same as above).
- To determine whether relief under a Rule is available (e.g. whether a ball is embedded).

If a ball is not marked when the rules require that it must be, the player incurs a penalty of one stroke and the ball must be replaced. If it is not accurately replaced before the next stroke is made at it, the penalty increases to two strokes in stroke play or a loss of hole in match play, for playing from the wrong place, but there are no **additional** penalty under rule 20-1. So, for example, there is no additional penalty if the ball was lifted because it was interfering with play of another ball, and then placed(or dropped) and played from a wrong place.

A Ball does not have to be marked.

- When it has been deemed unplayable, Rule 28.
- When relief is being taken from a (lateral) water hazard, Rule 26-1.
- When relief is being taken from an abnormal ground condition, which includes ground under repair, casual water and hole, cast or runway made by a burrowing animal, Rule 25-1.
- When relief is being taken from a wrong putting green, Rule 25-2.
- Under some Local Rules, e.g. relief from a staked tree.

There are occasions when the Rules do not require that the position of a ball is marked, but when it might be advisable to do so.

- Moving a movable obstruction, Rule 24-1. Note that if a ball moves while a movable obstruction is being moved it must be replaced, so it may be advisable, though not required by

the Rules, to mark its position before removing the obstruction.

A ball lifted under the Rules may be lifted by the player, his partner or another person authorised by the player. In all these cases the player is responsible for any breach of the Rules, including not marking its position when the Rules require that it must be marked. Of course, you do not have to bother remembering any of the above regarding marking the ball before lifting it, if you take the precaution of always marking the ball before touching it, you will avoid any penalty for getting it wrong.

Good golfing,

Barry Rhodes
