From the Editor . . .

Hi Fellow Golfers! Another Christmas celebrated. I hope you didn't get too merry and I would like to wish you all good golfing in 2018.

Don't forget the Annual Presentation Night will be held on Friday 23rd March, which is now at the end of our Program year.

There are also several other possible changes in the planning stage, which will be revealed when the next program is released.

We now have available our new club shirt for sale. Unfortunately the manufacturer of our previous shirt has deleted it from their range, necessitating this change. We have decided on a design that should be available for many years to come.

Unfortunately, Leonore Steer, one of our Life Members has been on the sick list recently. We hope that you make a speedy recovery, Leonore.

Until next month, good golfing in the New Year.

If you have any news items, stories, achievements etc. please drop them in the putter box on the bar or e-mail me at randryeates@gmail.com.

News around the course!

Who forgot to turn their buggy off and sent it into the water hazard under the willow tree on the 16th?

One of his playing partners had to perform a rescue and then resuscitate the electric buggy.

Who hit the wrong ball on the 2nd recently and ended up with a 10 on this hole?

I heard that someone slipped into the pond at the back of the 2nd and went for a swim!

What do you call a crazy golfer?

A crack putt!

Those Christmas cracker jokes are terrible aren't they!

OVER THE ROAD

Seeding of the fairways should be underway by the time you read this and we hope that it will be finished without any interruption from the weather. Once the seeding is completed another working bee will be called to remove some more stone and rocks. Keep your eyes on the notice board for the date.

THE "GOLDEN EMMY AWARD" for December Remember all that rain we had in December which caused the course to be closed as the fairways were too wet and had rivers running down each side.

The game was hard to play for some as balls were being lost in the mud and water but some players did find it easy or made miracle shots.

My spies have reported this shot by Colin "EMMY" Golding.

It was on the 2nd fairway, Emmy drove into the triangle and somehow (with a bit of luck) got back on the fairway with his second shot.

He addressed his ball (motionlessly like a statue for several moments) for his third shot with the intention of clearing the hazard and land on the green so that he could putt out for par.

Coming out of his frozen stance Colin played his third shot but misjudged the mud under his ball and hit high and short.... straight into the water hazard which just happened to be overfull of water on this particular wet and rainy day.

Colin waded up to the hazard to find his ball sitting up on some weeds in the middle of the fast flowing water hazard but also below the water line.

EMMY pondered over what he should do. Should he drop out, take a penalty shot and go for a double bogey or worse?

No, not our Colin. Having survived the State Bank fiasco and thought he could do anything now so in he waded (he tried walking on top) to play his next shot.

With words of encouragement from his partners "Ya Mad", "Get a boat", "Watch out for ducks" Colin lined up for his shot.

Bracing himself against the strong flowing current Emmy moved into his shot. With a big splash and shower of water up popped the ball onto the green and after two short bounces rolled into the hole for an EASY par.

Colin then WALKED out over the water.

Editors note: The 2nd then is now our 13th

10 Years ago

Construction of the new 13th green is well underway, however unfortunately the weather has not been ideal for the germination of the seed. To complicate the issue further, the seed that has germinated has ended up as 'Dinner for the Ducks'. Michael is now estimating that the new green will not be ready until the end of February.

HOLY PROSTITUTES

A man is driving down a deserted stretch of highway when he notices a sign out of the corner of his eye...

It reads:

**SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION**

10 MILES

He thinks this is a figment of his imagination and drives on without a second thought.

Soon he sees another sign which reads:

**SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION**

5 MILES

Suddenly he begins to realize that these signs are for real and drives past a third sign saying:

**SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION**

NEXT RIGHT

His curiosity gets the best of him and he pulls into the drive. On the far side of the parking lot is a stone building with a small sign next to the door reading:

SISTERS OF ST. FRANCIS

He climbs the steps and rings the bell.

The door is answered by a nun in a long black habit who asks,

‘What may we do for you! My son?’

He answers, 'I saw your signs along the highway and was interested in possibly doing business....'

'Very well my son. Please follow me.'

He is led through many winding passages and is soon quite disoriented. The nun stops at a closed door and tells the man, 'Please knock on this door.' He does so and another nun in a long habit, holding a tin cup answers the door.

This nun instructs, 'Please place \$100 in the cup then go through the large wooden door at the end of the hallway.'

He puts \$100 in the cup, eagerly trots down the hall and slips through the door pulling it shut behind him.

The door locks, and he finds himself back in the parking lot facing another sign:

**GO IN PEACE.
YOU HAVE JUST BEEN SCREWED BY
THE SISTERS OF ST. FRANCIS.
SERVES YOU RIGHT, YOU
SINNER**

Beautiful English

I called an old school friend and asked what was he doing.

He replied that he was working on "**Aqua-thermal treatment of ceramics, glass, aluminum, and steel, all under a constrained environment.**"

I was impressed.

On further inquiring, I learned that he was washing dishes with hot water ... under his wife's supervision.

5 Fun Facts for your day about the New Year!

1. January is named after Janus, the god with two faces, one looking forward and one looking backwood.
2. Ancient Persians gave New Year's gifts of eggs, which symbolized productiveness.
3. Russians celebrate the New Year twice, once on January 1st and then again on January 14th.
4. Instead of lowering a giant ball of lights on New Year's Eve, Brasstown, North Carolina lowers a possum. It's known as "The Possum Drop"
5. Mexicans celebrate New Year's Eve, by eating a grape with each of the twelve chimes of a clock's bell during the midnight countdown, while making a wish with each one.

As I Get Older

I talk to myself, because there are times I need expert advice.

I consider "In Style" to be the clothes that still fit.

I don't need anger management. I need people to stop pissing me off.

My people skills are just fine. It's my tolerance for idiots that needs work.

The biggest lie I tell myself is, "I don't need to write that down. I'll remember it."

I have days when my life is just a tent away from a circus.

These days, "on time" is when I get there.

Even duct tape can't fix stupid - but it sure does muffle the sound.

Wouldn't it be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free --- and come out three sizes smaller?

Lately, I've noticed people my age are so much older than me.

"Getting lucky" means walking into a room and remembering why I'm there

When I was a child, I thought nap time was punishment. Now it feels like a mini vacation

Some days I have no idea what I'm doing out of bed.

I thought growing old would take longer.

Aging sure has slowed me down, but it hasn't shut me up.

I still haven't learned to act my age.
