## From the Editor . . .

Hi Fellow Golfers! Why do we have wet Thursdays and Saturdays?

Unfortunately, this has meant not a lot of golf has been played at Echunga on Thursdays or Saturdays lately. Wednesday seems to be the day to play as the Women have had good weather on Wednesdays over the last month and been able to play on all but one week. Maybe this could be worth looking at, as there is now a 9 hole mixed Competition being held each Wednesday, hit off at 10.00am. Contact Esther Burt if you require more information.

With the AGM coming up in a couple of months, it's time to think about nominating for a position on the Committee.

Due to positions of President, Secretary, Captain and one Committee person position all being filled last year on a casual basis, these positions are up for re-election again this year, for a term of one year.

The other positions of Vice President, Treasurer and Vice Captain as well as 2 of the committee positions also become vacant and are up for a 2 year term.

In fact, this means that all committee positions will be declared vacant at the AGM.

If you have any news items, stories, achievements etc. please drop them in the putter box on the bar or e-mail me at [randryeates@gmail.com](mailto:randryeates@gmail.com).

## New 9-hole Mixed Competition

A new 9-hole Mixed Competition has commenced on Wednesdays - tee off at 10am. This is in response to feedback from the Vision 2020 survey posted on our website.

*For further info please contact Esther Burt,  
Women's President*

## Around the course

### Ride on golf carts

Due to the weather and the condition of the course, it is necessary to restrict the use of ride on carts on the course. This can vary from **all carts ok, no carts**, to **club carts only** and **not personnel carts** or it is sometimes limited to **only members using club carts**.

Unfortunately we need to apply these restrictions to protect the course from damage.

If there are any changes to the use of carts it will be advised of the web site by 5.00pm each day.

## Club Championships 2019/2020

There appears to be some confusion re when this year's Club Championships will be held.

**They have in fact been held.**

In March we tried a change in programme and we ran the 2019 edition of the Club Championships while the course is at its driest and fairest and the winners were A Grade - Jase Hyland, B Grade - Nic McNicol, C Grade - Neville Jordan and D Grade - Mal Jordan.

There are several reasons for trialing the switch to March.

- It has always been a rush after winter and having the greens cored in September (which is always subject to the weather) and have the course in top condition for the championships to start in October.
- The best time to make any changes to the course is during Winter, which allows new turf to be propagated and to establish itself though Spring, prior to the hotter Summer months.
- Holding the championship in March is when the ground staff have the course in top shape for our Autumn Classic and the Women's Open Day, so whilst they present us with a great course all year, March is when our course is on show to many visitors.

So the next Club Championships will not be held until at least April 2020 subject to assessing how the shift worked for all parties.

# From The

Well winter has set in with a vengeance with the early August rains. Hopefully, the forecast dry spring will allow us to get out there again before long.

When you do get back on the course you will notice a couple of changes,

On the 10<sup>th</sup> (not the temporary hole) the staff have cut a trench from the back of the 18<sup>th</sup> towards the road to allow the water that ponds there to get away and improve the drainage of the 18<sup>th</sup>.

There is now a sleeper bridge across the 10<sup>th</sup> with GUR around it.

Members are asked to take care in this area until we get it properly established.

At the 11<sup>th</sup> tee. The Committee has decided for safety reasons to relocate the path coming from the 10<sup>th</sup> green to the 11<sup>th</sup> tee. The new path will finish on the eastern side of the tee block, while the existing path on the western side will be eventually dug up and GUR ed.

As mentioned this change is for safety reasons to get players approaching or near the 11<sup>th</sup> tee out of line of people playing the 10<sup>th</sup>

In other news the 18<sup>th</sup> green is recovering well and should come back into play in spring

*Good golfing*

### **CONGRATULATIONS to the C1 PENNANT TEAM**

On winning the 1994 C1 Pennant Competition at Victor Harbor on Sunday 24<sup>th</sup> July.

The team consisting of Captain Greg Klatt, Matthew Hickman, Richard Manning, Trevor Phillips, Tony Guy & Colin Golding played exceptionally well to defeat the Nairne Golf Club 7 to Nil.

The other players who helped the team to go through the season undefeated were regular player Doug Guy (who unfortunately had to pull out of the Grand Final because of illness and was replaced by Colin Golding) and Gus Cooper.

### **A WORD OF ADVICE**

The advice from Ken Hendrickson is that before playing a stroke make sure that your hands and the club handle are dry.

Ken did not check on this before he played his tee shot from the 3rd, consequently his wood slipped from his hand and sailed into the middle of the dam.

Knowing that the only way to get it back was to go in the dam, Ken stripped to his jocks and started to walk in. It was C O L D and unfortunately for Ken the dam is deeper that it looks so Ken had to go for a swim & dive. Unperturbed Ken removed his jocks and went under, but alas the bottom is very soft mud now & poor old "cold" Ken could not find it. Any volunteers to find it for (c)old Ken ?

### **Pennants**

The season is now over and the season we had was very successful.

In the Men's senior competition our A Team once again won the Grand Final by defeating South Lakes 4/3. They will now play Victor Harbor Golf

Club on Sunday 22<sup>nd</sup> August 1999 for the right to play in Club Grade Division 1.

Our other 3 Senior men's teams all played well but just could not win those vital matches to get a spot in the finals.

In the Juniors the Club won all three grades – A Grade (Stroke) B & C Grades (Net Handicap) – which is a first for the Club and possibly the Southern Golf Group Junior Competition.

### **Echunga drives to pennant title**

Echunga Golf Club continued a recent run of success when it claimed the Southern Golf group's prestigious von Doussa shield for A1-grade competition

The winning team consisted of left to right: Trevor Huckel, Matt Hickman, Randy Jones, Mike Haslett and John Norman and in front Bill Guy and Ben Slack (Capt.).

## **5 Years ago Mannum Open**

On August 3<sup>rd</sup> a few of us went to the Mannum Open which is a 27 hole stroke event. The weather and course were both fantastic, although only Jamie Burt could produce a score. He posted the

best gross score to win the Mannum Open with a great score of 3 over 113. I managed to pick up a NTP and long drive so the day wasn't a total loss! Well done to Jamie though. Here is a photo of the winner with the shield.

## ECHUNGA GOLFERS NATIONAL CHAMPS

Each year Spalding Australia Pty Ltd run a competition in conjunction with the Australian Golf Union called the Spalding Australian Club Team Championship and is open to all golf clubs in Australia, with the top club in each State receiving a four day weekend trip to Melbourne to take part in a play off for the National Championship at Royal Melbourne.

In 1989 the winner of the South Australian section was the Echunga Golf Club, winning by one stroke from Marino Golf Club.

The play off between the states was held recently and the four players to represent Echunga were Dean Carver, Bev Nicol, Ian Bonython and Neville Cooper.

They flew to Melbourne for the four day weekend and much to their surprise THEY WON.

The weekend consisted of three rounds of golf, a Stableford on Friday, first round of the Championship on Saturday and the final round on Sunday.

This was followed by a presentation dinner at the Royal Melbourne Golf Club.

On Monday, all the golfers were taken on a tour of the Melbourne sand belt courses.

The hospitality shown by Spalding and the Royal Melbourne Golf Club was overwhelming, with the

President welcoming the players and the Captain and members making everyone feel at home. Congratulations to the four members and the Echunga Golf Club.

## Echunga toast of the town

**Echunga Golf Club was the toast of Melbourne last week after winning the coveted Spalding Club team's handicap championship.**

"It was all a bit of a surprise," said to team captain Ian Bonython.

Last year the club won the State championship... "So this was really icing on the cake."

"You concentrate so much on the game you sometimes don't give a thought to the final result," he added.

Ian and his partners Dean Carver, Bev Nicol and Neville Cooper... beat five other States by nine strokes over two rounds.

"It was a very enjoyable... if slightly nerve-racking competition."

"And you can image how we feel ... up against the best in Australia."

"It was great to win the State title for the second successive year, but it's almost unbelievable to take the national honor," said Ian.

Club President Murray Hibbard echoed the feelings of many when he said the local golfers were very proud of their colleagues' achievement.

"It's no mean feat for a relatively small club in the Adelaide Hills to beat the best from each State," he said.

Profits from the two day event ... at the prestigious Royal Melbourne Club go to foster junior golf in Australia.

*Neville Cooper, Ian Bonython (Capt), Bev Nicol and Dean Carver proudly display their state and national golfing trophies.*

## Joke of the Week

While walking down the street one day a Member of Parliament is tragically hit by a truck and dies, arriving at the Pearly Gates just seconds later.

"Welcome to heaven," says Saint Peter. "Before you settle in, it seems there is a problem.

We seldom see a high official around these parts, you see, so we're not sure what to do with you."

"No problem, just let me in," says the man.

"Well, I'd like to, but I have orders from higher up. What we'll do is have you spend one day in hell and one in heaven. Then you can choose where to spend eternity."

"Really, I've made up my mind. I want to be in heaven," says the MP.

"I'm sorry, but we have our rules."

And with that, Saint Peter escorts him to the elevator and he goes down, down, down to hell.

The doors open and he finds himself in the middle of a green golf course.

In the distance is a clubhouse and standing in front of it are all his friends and other politicians who had worked with him.

Everyone is very happy and dressed in evening dress.

They run to greet him, shake his hand, and reminisce about the good times they had while getting rich at the expense of the people.

They play a friendly game of golf and then dine on lobster, caviar and champagne.

Also present is the devil, who really is a very friendly and nice guy who has a good time dancing and telling jokes.

They are having such a good time that, before he realises it, it's time to go.

Everyone gives him a hearty farewell and wave while the elevator rises.

The door opens in heaven where Saint Peter is waiting for him. "Now it's time to visit heaven."

So, 24 hours pass with the MP joining a group of contented souls moving from cloud to cloud, playing the harp and singing.

They have a good time and, before he realises it, the 24 hours have gone by and Saint Peter returns.

"Well, then, you've spent a day in hell and another in heaven. Now choose your eternity."

The MP reflects for a minute, then he answers:

"Well, I would never have said it before, I mean heaven has been delightful, but I think I would be better off in hell."

So Saint Peter escorts him to the elevator and he goes down, down, down to hell.

When the doors open he's in the middle of a barren land covered with waste and garbage.

He sees all his friends, dressed in rags, picking up the trash and putting it in black bags as more trash falls from above.

The devil comes over to him and puts his arm around his shoulder.

"I don't understand," stammers the MP.

"Yesterday I was here and there was a golf course and clubhouse, and we ate lobster and caviar, drank champagne, danced and had a great time.

Now there's just a wasteland full of garbage and my friends look miserable. What happened?"

The devil looks at him, smiles and says,

"Yesterday we were campaigning.

Today you voted."

# **Blood Type**

An Arab Sheik was admitted to Hospital for heart surgery, but prior to the surgery, the doctors needed to have some of his blood type stored in case the need arose.

As the gentleman had an extremely rare type of blood that couldn't be found locally, the call went out around the world.

Finally a Scotsman was located who had the same rare blood type. After some coaxing, the Scot donated his blood for the Arab.

After the surgery the Arab sent the Scotsman a new BMW, a diamond necklace for his wife, and US\$100,000 in appreciation for the blood donation.

A few months later, the Arab had to undergo a corrective surgery procedure. Once again, his doctor telephoned the Scotsman who this time was more than happy to donate his blood.

After the second surgery, the Arab sent the Scotsman a thank-you card and a box of Quality Street chocolates.

The Scotsman was shocked that the Arab did not reciprocate his kind gesture as he had anticipated.

He then phoned the Arab and asked him: "I thought you would be more generous than that - last time you sent me a BMW, diamonds and money, but this time you only sent me a lousy thank-you card and a crappy box of chocolates?"

To this the Arab replied: "Aye laddie, but I now have Scottish blood in me veins".
