From the Editor . . .

Hi Fellow Golfers! Again the weather has affected competitions at Echunga over the past month. Hopefully we have now turned the corner and look forward to seeing more players out on the course.

Don't forget there is now a 9 hole Mixed Competition being held each Wednesday, hit off at 10.00am. Contact Esther Burt if you require more information.

There is a Mixed Stableford Competition - Tee off for Cancer Foundation Day to be held on Wednesday, October 9th with a 9.00am shotgun start. \$15 includes BBQ lunch (half green fees for guests). Please book at the bar.

With the AGM coming up in just over a month, it's time to think about nominating for a position on the Committee.

Due to positions of President, Secretary, Captain and one Committee person position all being filled last year on a casual basis, these positions are up for re-election again this year, for a term of one year.

The other positions of Vice President, Treasurer and Vice Captain, as well as 2 of the Committee positions, also become vacant and are up for a 2 year term.

In fact, this means that all Committee positions will be declared vacant at the AGM.

Echunga Golf Club Women's AGM will be held on Wednesday, 16th October @ 1.30pm

If you have any news items, stories, achievements etc. please drop them in the putter box on the bar or e-mail me at randryeates@gmail.com.

Ride on golf carts

Whilst the rain on Friday, 6th September caused the ground staff to ban the use of carts for several days, this restriction has again been lifted and all carts are able to be used again. The forecast looks good, so hopefully restrictions will not have to be enforced again.

At about 2.30am on Saturday, 31st August the Greenkeepers' Shed was broken into. Bill Kidd attended and found the shed open and the lights on, but no sign of any intruders and on first inspection there appeared nothing major was missing. It has since been discovered that several items, namely a leaf blower, a Gerry can, a battery charger and some sockets are missing.

On reporting the incident to the Police, they advise that there have been several break-ins recently in the area.

This Month's Teaser

I am taken from a mine, and shut up in a wooden case, from which I am never released, and yet I am used by almost everybody.

Answer next month

Last Month's Teaser

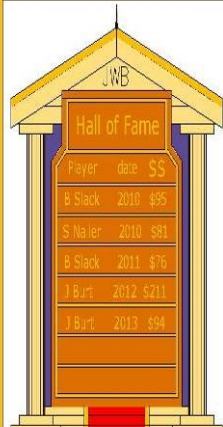

I'm a word that's hardly there. Take away my start, and I'm an herbal flair. What am I?

Answer: Sparsely

Fun Facts

Considering it's September and we are celebrating Dads, here are some fun facts about Father's Day and Fathers in general!

1. Father is 'père' in French, 'ojciec' in Polish, 'vader' in Dutch, 'vater' in German and 'padre' in both Italian and Spanish. So, now you can say Father in a few different languages!
2. The traditional flower of Father's Day is a rose. Red roses are for living fathers and white roses are for fathers who have died.
3. Did you know that it is the father seahorse that carries the eggs and gives birth to the babies?
4. Surprisingly, the trusty slipper gift isn't the most popular Father's Day present – it's actually a tie.
5. Father's Day was invented by American, Mrs. Sonora Smart Dodd, who wanted to honour her father, a veteran who had, as a single parent, raised his six children. The first Father's Day was celebrated on June 19, 1910.

# Out and about Oakbank Open Day.

On August 23<sup>rd</sup>, 8 Echunga women tried their golfing skills at Oakbank. We were encouraged to go with the incentive that the course would be drier and faster. Well.... This was partly true. What we didn't plan on was the deadly greens where balls didn't want to drop into the holes. The usually difficult to read greens were even more erratic on the day. We could not complain as all were in the same boat and the rest of the day was great, with lunch and the raffle restoring our good spirits. Lisa Gray and Ann Morton had 78 ½ and won second prize for gross score.

They also won a raffle each so went home loaded with goodies. The rest of us had to settle for paying for goods on the trading table.

Excellent hospitality and brilliant sunshine were most welcome.

### **Coach, what is wrong with my game?**

One day a player asked his coach, "What is wrong with my game?"

"You're standing too close to the ball after you've hit it."

### **Greens OK?**

A guy on vacation finishes his round, goes into the clubhouse. The head pro says, "Did you have a good time out there?"

The man replied "Fabulous, thank you."

"You're welcome," said the pro.

"How did you find the greens?"

The man said: "Easy. I just walked to the end of the fairways and there they were!"

## FRED

A cop stops a Harley for travelling faster than the posted speed limit, so he asks the driver his name.

"Fred" he replies.

"Fred what?" the police officer asks.

"Just Fred," the man responds.

The officer is in a good mood and thinks he might just give the biker a break and, write him out a warning instead of a ticket.

The officer then presses him for his last name.

The man tells him that he used to have a last name but lost it.

The officer thinks that he has a nut case on his hands, but plays along with it.

"Tell me, Fred, how did you lose your last name?"

The biker replies, "It's a long story, so stay with me.

I was born Fred Dingaling, I know, a funny last name. The kids used to tease me all the time, so I stayed to myself, studied hard and got good grades. When I got older, I realized that I wanted to be a doctor. I went through college, medical school, internship and residency and finally got my degree, so I was Fred Dingaling, MD.

After a while I got bored being a doctor, so I decided to go back to school.

Dentistry was my dream! Got all the way through school, got my degree, so then I was Fred Dingaling, MD DDS.

Got bored doing dentistry, so I started fooling around with my assistant and she gave me VD, so now I was Fred Dingaling, MD DDS with VD.

Well the ADA found out about the VD, so they took away my DDS.

Then I was Fred Dingaling, MD with VD.

Then the AMA found out about the ADA taking away my DDS because of the VD, so they took away my MD leaving me as Fred Dingaling with VD.

Then the VD took away my Dingaling, so now I am just Fred."

The officer walked away in tears, laughing.

## Better than a Flu Shot!

Miss Beatrice, the church organist, was in her eighties and had never been married.

She was admired for her sweetness and kindness to all.

One afternoon the pastor came to call on her and she showed him into her quaint sitting room.

She invited him to have a seat while she prepared tea...

As he sat facing her old Hammond organ, the young minister noticed a cut glass bowl sitting on top of it.

When she returned with tea and scones, they began to chat

The pastor tried to stifle his curiosity about the bowl of water and its strange floater, but soon it got the better of him and he could no longer resist.

'Miss Beatrice', he said, 'I wonder if you would tell me about this?'

Pointing to the bowl.

'Oh, yes,' she replied, 'isn't it wonderful?'

I was walking through the park a few months ago and I found this little package on the ground. The directions said to place it on the organ, keep it wet and that it would prevent the spread of disease.

Do you know I haven't had the flu all winter.

**This very important short story will explain  
a lot about the goings on in the world today!**

The King wanted to go fishing, and he asked the  
royal weather forecaster the forecast for the next  
few hours.

The palace meteorologist assured him that there  
was no chance of rain.

So the King and the Queen went fishing. On the  
way he met a man with a fishing pole riding on a  
donkey, and he asked the man if the fish were  
biting.

The fisherman said, "Your Majesty, you should  
return to the palace! In just a short time I expect a  
huge rain storm."

The King replied: "I hold the palace meteorologist  
in high regard. He is an educated and experienced  
professional. Besides, I pay him very high wages.  
He gave me a very different forecast. I trust him."

So the King continued on his way.

However, in a short time a torrential rain fell from  
the sky. The King and Queen were totally soaked.

Furious, the King returned to the palace and gave  
the order to fire the meteorologist.

Then he summoned the fisherman and offered him  
the prestigious position of royal forecaster.

The fisherman said, "Your Majesty, I do not know  
anything about forecasting. I obtain my  
information from my donkey. If I see my donkey's  
ears drooping, it means with certainty that it will  
rain."

So the King hired the donkey.

And so began the practice of hiring dumb asses to  
work in influential positions of government.

The practice is unbroken to this day.

### **Would you remarry?**

A husband and wife were golfing when suddenly  
the wife asked, "Honey, if I died would you get  
married again?"

The husband said, "No sweetie."

The woman said, "I'm sure you would."

So the man said, "Okay, I would"

Then the woman asked, "Would you let her sleep  
in our bed?"

And the man replied, "Ya, I guess so." Then the  
wife asked, "Would you let her use my golf clubs?"  
And the husband replied, "No, she's left handed."
