Message from the President

Dear Members

On behalf of the committee I would like to thank members for their support during this time.

The course has been in exceptional condition and the committee is committed to maintaining its standard.

With the support of your membership good things can be achieved.

Over the past few weeks considerations around operating the club have been testing as conditions have changed rapidly.

The pandemic has and will continue to have an impact on our operations during the immediate future. The committee has been formulating plans to minimise the impact both on financial and course standard fronts.

Your support coupled with our strong position and commitment provides a basis to keep essential and effective operations going even in the event a Prolonged closure becomes inevitable.

The recent events which led to our decision to temporarily close the course are well documented. This has given time for us to consider options around re-opening the course to members without compromising our standards around community responsibility.

We are now pleased to advise you of our intent to re-open the course to members only for the time being and under adapted playing conditions.

It is essential these conditions are adhered to, in order that we can keep the course open, as long as we are able.

Timing around re-opening and conditions of play will be communicated in due course. Essentially, we will be moving towards a 2-person system of play while maintaining appropriate social distancing and hygiene practices.

It should be stressed the decision to play is a choice for members to make. There are a number within our membership whom are over 70 years of

age. We trust they are aware of health recommendations, as we should all be, to stay at home except for essential reasons including some measured approach to exercise and wellbeing.

Golf will be on the table after this has all passed.

We cannot say how long the course can remain open under the above conditions. Further restrictions including enforced closure may apply.

Notwithstanding we are substantially volunteer based we iterate our commitment to deal with any circumstance as it arrives to the best of our ability.

We look forward to your ongoing support and thank you in anticipation thereof.

Yours Sincerely

Ray D'Alessandro

President Echunga Golf Club

Membership Renewals

Fees were due by the 31st March.

Due to the current situation, the Committee has extended the due date to April 30th.

Whilst you may not be able to play in competitions in the short term, the payment of your Subs will help the club to stay financial and meet its obligations over this difficult time.

If suffering financial hardship, members should contact the committee to discuss their membership situation.

Pennants

Hi all,

The Southern Golf Group have decided to cancel all events including Men's pennant.

I am disappointed that this call has been made 2 months away from the scheduled start of the series. I believe this call has been made unnecessarily and prematurely.

It is what it is, however if the coronavirus is brought under control before then, I and many others will no doubt push for the season to be played.

Whilst I can't say that it will be resolved in two months, I also believe that no one can say that it won't. When the threat has eased and restrictions are eased, there will be a strong need to get things up and running as per normal, to get our lives and our economy back up and running.

So for now pennants is off, but it is possible that things will change and it may end up being back on again with a bit of luck.

Stay safe and stay at home if you can

Regards

Jamie Burt

Golf Australia Day at Flagstaff Hill

Ann Morton, Pamm Leech, Elizabeth Handsaker and I tackled Flagstaff Hill on a hot, humid day with a colourful group of other Women Golfers from many clubs.

Ann and Pamm sensibly had a cart as the course is long and hilly, with sometimes large distances between holes. It's a challenging course and the results showed that local knowledge is an advantage. We gamely tackled the sloping fairways, many bunkers and the par 3 across the dam.

While we didn't win any of the many prizes on offer, we were satisfied with our playing, enjoyed the companionship and banter, and headed home tired and content.

Vice-Captain,*

Women's Pennants

As Div. 2 Pennant captain, I am thrilled to report our win for the first match of the 2020 Women's Southern Zone Pennant season.

Our team comprising Jeanette Rayner, Janeen Coleman, Pam Gray, Sue Telfer & Elizabeth Handsaker travelled out to Tailem Bend on a near perfect day to play the composite Mannum/Murray Bridge team.

Our enjoyment was even further enhanced by Sue Telfer having a Hole in One on the 3rd hole.

Being a true professional this didn't upset her game and she came in with a win which carried the 2 games all score to a win to Echunga.

Well done Echunga and Super Well Done to Sue Telfer.

Looking forward to the rest of the season.

VOLUNTEERS' REPORT

Before the PLAGUE arrived we did manage to replace the barrel drain in the dip, on the 4th fairway. The crossing is twice as wide which should make access easier, particularly for carts. It should also make it easier for water to drain away from the 5th fairway. It was a big effort with much lateral thinking coming from the "brains trust" directed by Al, but in the end, muscle from Tom and Jeff and dirt from Chris and Pete did the trick. Jeff and Al were going to survey for levels on the west side of the clubhouse so that drains can be put in. This will hopefully allow us to get to the practise putting green and the first tee without having to call for a tow truck to rescue us from the mud in winter.

Bottlebrushes are putting on new growth, new plantings are away, fuchsia flowers have been the best in the last few years and plantings on the way to the 10th tee and behind the practise nets, are becoming established. Take care contemplating your navel, in isolation of course!

Top Rookies Named

Fourteen S.A. golfers were named recently in the Tier 3 section of Golf Australia's 2020 "Rookie Squad" National Athletes program.

Congratulations to Billy Cawthorne and Caitlin Pierce, on being selected in this squad.

Both started their golfing journey as juniors at Echunga before advancing to achieve success at this elite level. Well done to you both!

Parachute Club

Yesterday my daughter e-mailed me, again, asking why I didn't do something useful with my time.

"Like sitting around the pool, drinking wine isn't a good thing?" I asked.

(Talking about my "doing something useful" seems to be her favourite topic of conversation.)

She is "only thinking of me," she said, and suggested, I go down to the Senior Centre and hang out with the fellas.

So, I did and when I got home, decided to play a prank on her.

I sent her an e-mail saying that I had joined the Senior Parachute Club.

She replied, "Are you nuts? You're 81-years-old and now you're going to start jumping out of airplanes?"

I told her that I even had a Membership Card and e-mailed a copy to her.

Immediately, she telephoned me and yelled, "Good grief, Dad, where are your glasses?!"

This is a membership to a Prostitute Club, not a Parachute Club."

"Oh man, am I in trouble," I said, "I signed up for five jumps a week!"

The line went dead.

Life as a Senior Citizen isn't getting any easier, but sometimes it can be fun.

This Month's Teaser

Ok, here's a trickier one!

What 8 letter word can have a letter taken away and it still makes a word?

Take another letter away and it still makes a word. Keep on doing that until you have one letter left.

What is the word?

Answer next month

Last Month's Teaser

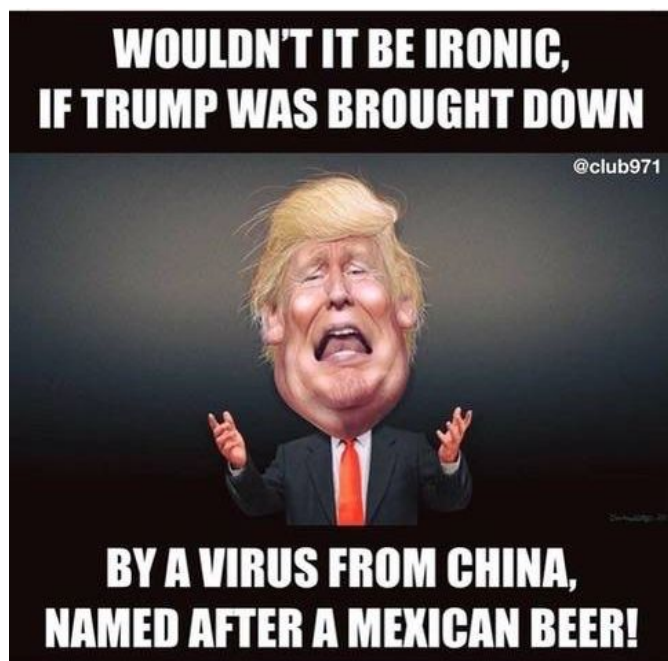

I can fly, but have no wings. I can cry, but have no eyes. Wherever I go, darkness follows me.

What am I?

Answer: A Cloud

Fun Facts

1. You can't breathe and swallow at the same time.
2. France didn't stop executing people by guillotine until 1977. Bit morbid, but nonetheless interesting!
3. Australia is larger in diameter than Pluto.
4. Craving ice is a symptom of iron deficiency.
5. Flamingos turn pink from eating shrimp. They are born grey! Enzymes in the flamingos' liver break down the compounds of shrimp (their main food source) into pink and orange pigment molecules, which are then deposited into the birds' feathers, legs, and beaks.

The Honest Golfer

An old golfer was hitting his ball from near a water hazard and his club fell into the water.

When he cried out, the Lord appeared and asked, "Why are you crying?"

The golfer replied that his club had fallen into the water and he needed the club to have a chance to win the tournament and supplement his meager pension.

The Lord went down into the water and reappeared with a golden club.

"Is this your club?" the Lord asked.

The golfer replied, "No."

The Lord again went down and came up with a silver club.

"Is this your club?" the Lord asked.

Again, the golfer replied, "No."

The Lord went down again and came up with an iron club. "Is this your club?" the Lord asked.

The golfer replied, "Yes."

"The Lord was pleased with the golfer's honesty and gave him all three clubs to keep, and the golfer went home happy.

Sometime later, the golfer was walking with his wife along the water hazard, and she fell into the river.

When he cried out, the Lord again appeared and asked him, "Why are you crying?"

"Oh Lord, my woman has fallen into the water!"

The Lord went down into the water and came up with Kate Upton. "Is this your woman?" the Lord asked?

"Yes," cried the golfer. The Lord was furious.

"You lied! That is an untruth!"

The golfer replied, "Oh, forgive me Lord. It is a misunderstanding. You see, if I had said 'No' to Kate Upton, you would have come up with Jennifer Anniston. Then if I said 'No' to her, you would have come up with my woman. Had I then said 'Yes,' you would have given me all three.

And Lord, I am an old man not able to take care of all three women in a way that they deserve ... that's why I said 'Yes' to Kate Upton.

And God was pleased

The moral of this story is:

If a golfer ever tells a lie, it is for a good and honourable reason and only out of consideration for others!

Playing to your Handicap...

It has been reported to the Committee that several players are not playing to their full potential. These players during their round become aware that if they keep playing well they are going to lose a stroke or two from their handicap and suddenly easy putts are missed or balls "accidentally" go out of bounds.

The Committee does not approve of this and will consider taking action if it continues.

BEWARE of wayward hits when driving east along Dolman Road. A poor truck driver had his front windscreen destroyed by a ball off the first tee. How UNLUCKY can you be.???
