From the Editor . . .

Hi Fellow Golfers! Great work Paul and Naren, you have been very busy getting the course back into great shape. The fairways are offering plenty of run and I can't remember when my drives were going so far!

A busy month in October with the Handicap Matchplay held and congratulations to Sam Foster winning the Final with Derek Parrot runner up. Well done!

Also held in October after several years of delays were both the Mixed Charity Day Pinehurst Foursomes and the Club Mixed Foursomes Championship.

The Charity Day Gross Winners were Robyn Eibisch and Mark Davidson and the Net Winners were Kathy Clarke and John Goff. Congratulations to the winners and all who competed, as this year the funds raised went to the Hutt Street Centre.

After delays from wet to too hot weather last year the Mixed Foursomes Championships were finally held this year.

The Mixed Foursomes Club Champions this year were Esther O'Young and Nathan Separovich with the Best Net score going to Robyn Eibisch and Ben Slack. Well done to you all!

The AGM was held on the 27th October with not all positions filled as described in the AGM Report later in the Putter. Congratulations to the candidates that were elected.

If you have any news items, stories, achievements etc. please e-mail me at randryeates@gmail.com.

AGM report

This year there we had no trouble with attendance in reaching a Quorum.

All reports were presented and accepted.

There were several members who voiced their opinions on the way the course has been presented and there were robust discussions on the subject.

While an explanation around the strategy was iterated at the meeting, the matter will be the subject of ongoing review by the committee.

Election of Committee

Vice President: There was no nomination for this position.

Treasurer: Martin Henderson nominated and was elected unopposed.

Captain: There was no nomination for this position.

Vice Captain: Randy Jones nominated and was elected unopposed.

Committee Positions: There were five nominations for the three positions on the Committee.

Mark Davidson, Wayne Lobban, Esther O'Young, Michael Clark and Bill Kidd all nominated but three nominations were deemed invalid.

Mark Davidson and Wayne Lobban were therefore elected to the committee to serve for the two year vacancies.

The Committee will meet later to discuss the situation and where possible invite the three candidates or other Club Members to be appointed to fill these positions.

Keeping the course tidy

It has been noticed that a lot of members who are smokers just throw their butts on the ground during a round of golf.

It would be great if you all put those butts in the rubbish or in a container and then throw them in the rubbish.

Perhaps you need reminding of the time a cigarette butt takes to break down, and that just throwing your butts on the ground is not a good look for our course.

VOLUNTEERS' REPORT

The junior course tree markers have been put up and at last you can see them from the fairways. The tee markers have been moved, in some cases, to put the tee off area on the fairway. Thanks to Pete for his work.

A big job, that took three weeks to complete, was clearing prunings from the dam wall at the 12th tee block.

Antares looks down and waits.

Line trimming between the 1st and 9th fairways has been done but with the rate the grass is growing everywhere, there will be lots more to do.

The Spring pruning of the garden is just about finished with the bottle brushes putting on a spectacular display.

Fallen tree branches are keeping us busy cutting them up and removing them.

The mound and the area behind the practice nets have been mown yet again, thanks Cole.

I may have missed something because my secretary shot through to play some rounds of golf in the Riverland.

Help is hard to get these days, but I am looking forward to seeing your smiling face as you join us, any Tuesday, 9AM at the clubhouse, to help keep our course the best kept secret of the hills.

Mixed Pinehurst Foursomes Charity Day **Wednesday 4th October, 2023**

Each year, a mixed Charity Day is included as part of the Women's Competition Programme. This gives us a chance to contribute to a worthwhile cause, selected by the Women's Committee, and also to invite the men of the Club to join us for a fun day.

Covid, in combination with last year's extremely wet and extended winter has meant the event has not been held for a few years.

This year we decided to contribute towards the homeless situation by supporting the Hutt St Centre. Homelessness can and does happen to anyone and we've all read stories of people we can easily identify with, who through circumstances outside their control, have finished up sleeping in their car or in the rough.

The Hutt St Centre is a place of connection and support, where people facing homelessness are empowered to rebuild their lives, rediscover their identities and reconnect with those who love them. When people walk through the Centre's doors, the priority is dealing with their immediate needs, such as, a shower, a meal or a charged phone.

A visiting service is also provided to offer medical check-ups and financial counseling. Focusing on the future, they aim to connect individuals with housing, education and employment opportunities to change their circumstances for good.

The lead up to the day was fraught, as the impending weather forecast started by showing up to 15 mm of rain, with strong winds and possible small hail.

At this time we had committed a portion of the entry fee towards platters of food. If the weather did not look to improve as we got closer to the day, we would need to cancel and possibly forfeit funds committed for the food order.

This created quite a dilemma and some stress on the part of the organisers.

In the end, we had to make the decision to cancel the catering arrangements and leave the decision about whether to proceed with the competition until the day before, with a long weekend adding extra complications.

At the last minute we decided to proceed and although there were some changes to the field, with some dropping out and some being co-opted at short notice we fielded 15 pairs.

Ben organised last minute catering, recruiting, set up the field and printed cards, as well as playing and we would like to thank him for his herculean efforts and contributions to the success of the day.

A shot gun start saw the players out hitting and the field moved very well on a course, in lovely condition, with good run.

We enjoyed watching the big hitting men and did our best to keep out of trouble.

It pays to remember in team games, that everyone is doing their best, nobody should be saying "sorry", instead the phrase is "not my problem" and you often get to play parts of the course you've never before experienced!

We did have a couple of heavy showers, but this failed to dampen the spirits of the hardy players taking part.

When all had returned to the Clubrooms we had lunch, catered by Bev Slack at very short notice. (Thanks to Pat and her helpers for setting up the tables the previous day, with our photographic tablemats showing views around the course). Pam Gray, the Women's Captain, assisted by Elizabeth Handsaker (Vice Captain) presented the prizes.

Thanks to Club sponsors, The Hagan Arms, for their donation of a range of wines.

The major winners were followed with a wine and ball run down.

An extensive raffle, with prizes donated by the Women players was held and all participants took home at least one prize.

Once the accounting has been finalised, funds will be transferred to the Hutt St Centre and we believe around \$700 was raised from entry fees and the raffle, less costs.

A great outcome and lots of fun as well.

Many thanks to all who helped out, including the Women who washed dishes and packed up afterwards.

PRESIDENT PETER SAYS OVER THE ROAD

Well the time has arrived.

Next week, Saturday 27th November 1993, we will be officially allowed to use the **NEW 9 NINE HOLES** which we have watched slowly be developed over the last few years

It will be a great day for the Club to finally have an 18 hole course and I would like to thank everyone who has contributed in some way, whether large or small, towards the development of the new nine.

I am sure that you will appreciate the efforts by these people, especially by our green keeper Michael Nicholls and his assistant Andrew "Budgie" Daddow, to get these holes ready in a playable condition for the minimum of cost for your Club.

(At this stage I feel a thank you should also go to our President Peter Vivian for the time and effort he has put into preparing the new 9 holes. Peter has spent many days assisting Michael and Andrew when he should have been home doing his own work and his efforts too should be acknowledged.....Editor)

Unfortunately we cannot at this stage move our clubrooms to a more centralised spot and therefore in the interim a Manacon Toilet Block (a squatter's tank) will be purchased and placed over there for your use.

To celebrate the occasion and in recognition of their assistance both financially and manually (or personally) our Category 2 Ladies have been invited to join us on this day. In fact I think this is the first time that our Lady (Category 2) members have joined in a Saturday Competition with the men.

An official opening day will be held later possibly in April 1994.

(There is a rumour that the Committee was to hold a religious ceremony to bless the course but decided that it was not necessary as Frank "Furt" Chester had done enough "Blessing" over the past few weeks....Ed.)

THANK YOU

As the coffin was being lowered into the ground at a Parking Officer's funeral a voice from inside screams:

"I'm not dead, I'm not dead! Let me out!!!"

The Vicar smiles, leans forward sucking air through his teeth and mutters:

"Too late pal, the paperwork's already done"

The Shredder

A young engineer who graduated with distinction, was leaving the office at 3.45 p.m. when he found the Acting CEO standing in front of a shredder with a piece of paper in his hand.

"Listen," said the Acting CEO, "this is a very sensitive and important document, and my secretary is not here. Can you make this thing work?"

"Certainly," said the young engineer. He turned the machine on, inserted the paper, and pressed the start button. "Excellent, excellent!" said the Acting CEO as his paper disappeared inside the machine, "I just need one copy."

Lesson: Never, ever assume that your boss knows what he's doing.
