From the Editor . . .

Hi Fellow Golfers! Unfortunately, the Festive Season has not been great around the Echunga Golf Club.

Sadly, two of our Women Members passed away in December. Mel Eldridge lost her long fight with cancer and Janet Petherick at age 88, was admitted to hospital with Influenza A and died suddenly on New Year's Eve.

Only two weeks earlier Janet was a member of the winning Ambrose Team with Ben, Don and Matt on Ham & Turkey Day.

Our condolences go out to all their family and friends.

Then on Saturday 30th December the Clubrooms were broken into, with computers and golf equipment taken.

On a happier note, I hope you're Christmas wishes came true, maybe a new set of clubs!

I got a new set of golf club covers! Don't know if they will help me play any better, but the bag looks tidier!

Unfortunately the weather wasn't kind to those who participated on Monday the 11th December for the Cancer Council Longest Day, 72 Holes of golf in a day at Echunga.

Well done to all who played and braved the weather.

May the New Year bring you all good golfing?

If you have any news items, stories, achievements etc. please e-mail me at randryeates@gmail.com.

VOLUNTEERS' REPORT

A Happy New Year to you all.

May it bring you what you desire.

Last year we cleaned out the fallen wattles between the 1st and 9th and took them away.

The large Amalaris bush to the left of the 16th green was cut back to open the area up and in the process, exposed the old fairway drain which, once dug out, could be used to further drain that area. Tee blocks and hazard markers were also trimmed. Pat did a lot of work picking up sticks, but a lot to go.

This year, the toilet's vent pipe, on the 15th, was looked at to see if it could be extended and mats on the 6th and 10th steps to the tee blocks were replaced and/or cleaned for safety reasons.

Ball washers were filled and thanks to Pete and Cole for weed spraying in the gardens.

Over lunch, we identified another six tasks to add to the ones that we already have so if you can help, meet us at the clubhouse any Tuesday at 9am.

No tools required, just your willingness to lend a hand.

Did you know that the club has had three clubhouses or where the first one was and when?

In Memoriam

Sadly, Echunga Golf Club has lost not one, but two of our regular Women's competition players in December. In their own ways, they were both popular and respected players, who will be greatly missed as we gather for our Wednesday morning play and it's fitting that we make a public tribute through this medium.

Melanie (Mel) Eldridge

Mel joined around 2 years ago from Stirling. She was already suffering from fairly advanced cancer at the time she joined, but was determined to make the most of the time left to her and golf was an important part of that. Over that time she played with all the regular Wednesday morning Women and impressed everyone with her positivity and golfing skills. There were some weeks when she couldn't play due to pain, or treatments and we were always very happy to see her back.

Mel also took part in some of the Open Days or other competitions within the State over this time, as well as making the trip, over winter, to join us at Murray Bridge.

Sadly, Mel lost her battle on December 17th, passing away peacefully, surrounded by her family. We will miss her optimism and determination.

Janet Petherick

Janet was a member of Echunga Golf Club for over 20 years and a regular player in the Wednesday morning Women's competition. She was the Women's President for 2 years and a Committee member for many more. Janet was always willing to put her hand up to help whenever needed, whether that be running the raffle on Open Day, cutting, slicing and serving in the kitchen, collecting plates, washing up, being on standby in case someone didn't turn up for an event or just generally contributing where she saw the need. These are the people clubs need and value.

Like all of us, Janet's golf was up and down but she had many successes to celebrate, including being B Grade Women's Club Champion Runner Up, winning the Laurel Wreath and winning the Southern Golf Group C Grade Championship.

Janet was a regular Pennant player and a willing fill in, in later years.

Janet attended many Open Days over the years and often came back from these on the winner's list, as well as having notorious luck in the raffles.

Golf was an important part of Janet's life and gave her good reasons to get out and about. In her eighties' she continued to walk the 18 holes, up until fairly recently, when she capitulated to pressure and played using a cart. She was popular around the clubhouse and always gave as good as she got. Janet always attended the Women's social functions and joined in with gusto.

Sadly at age 88, she was admitted to hospital with Influenza A and died suddenly on New Year's Eve. It will feel very strange heading out to play a competition without her bright presence.

Pat and Shirley organised a wonderful day

Women's Christmas Celebration 2023

After a week of heavy rain, accompanied by thunder and lightning, we gathered on a fine Wednesday morning to play a 9 hole, 3 person Ambrose. The sun peaked out as we headed off for our shotgun start. The course was not showing the results of the deluge and there was still quite a bit of roll.

Libby Pride, Janet Petherick and Robyn Eibisch took the morning's honours with a nett 34.3, very closely followed by Marg Rigby, Elizabeth Handsaker and Pam Gray with a nett 34.5. As it was the Christmas celebration, all participants, including Pat Umlauf's cart chauffeur, Leonore Steer, life member and recently retired golfer, received a prize.

Shirley Cain, on behalf of the Women, presented Captain, Pam Gray and Vice Captain, Elizabeth Handsaker with vibrantly red, potted poinsettias and thanked them for the time spent organising competitions and the other background work, which takes place.

We all then headed to the Hagan Arms, where Shirley Cain and Pat Umlauf had decorated the tables with tinsel and small gifts of chocolates and a candy cane, as well as Christmas crackers. We were joined by a few, who had opted not to play, including past member, Beatrice Leonard.

There was much animated conversation as we enjoyed drinks and a meal. The day finished with a Christmas Trivia quiz and sketches of Santa's face before Pam thanked Shirley and Pat for organising the lunch and fun and we all headed back to our private Christmas preparations.

Southern Ports Golf Week (SPGW)

The 49th SPGW, a tournament held conjointly by Beachport, Robe & Kingston SE Golf Clubs, will be held from Saturday 24th February to Saturday 2nd March 2024.

The event is very popular, with many players coming from the Adelaide (SA) & Bellarine Peninsular (Vic) regions. We often have interstate visitors from further afield.

I was hoping that you might display the attached flyer to promote the event to your members.

Thanking you in anticipation of your assistance.

PRESIDENT'S REPORT - (Peter Vivian)

I trust that all members had an enjoyable festive season and are now looking forward to what the year 1994 will bring forth.

Our Club can only look forward as we have a great start for the New Year with the use of the new nine holes. Already, after only a few weeks, the OLD nine is looking better because of the less use it is receiving whilst the NEW nine continues to improve from week to week as a result of this fickle weather which we are experiencing.

Although there has not been any official public notice about our Club becoming an 18 hole course, the word has certainly spread as our green fee players and Social Bookings have increased.

Congratulations Chris!

Thought this one might get a laugh??

Post Christmas there have been a few smart new bags, brollies and even clubs on display around the 1st tee, BUT who putted 3 on the 1st green and then realised she hadn't taken the plastic off her putter??

Earth's Population Statistics in Perspective

**The population of Earth is around
7.9Billion.**

For most people, it is a significant figure.

However, if you condensed 7.9 billion into 100 persons, and then into various percentage statistics, the resulting analysis is relatively much easier to comprehend.

Out of 100 :

11 are in Europe

5 are in North America

9 are in South America

15 are in Africa

60 are in Asia

49 live in the countryside

51 live in cities

75 have mobile phones

25 do not.

30 have internet access

70 do not have the availability to go online

83 can read

17 are illiterate.

33 are Christians

22 are Muslims

14 are Hindus

7 are Buddhists

12 are other religions

12 have no religious beliefs.

26 live less than 14 years

66 died between 15 - 64 years of age

8 are over 65 years old.

If you have your own home,

Eat full meals & drink clean water,

Have a mobile phone,

Can surf the internet, and have gone to college,

You are in the minuscule privileged lot.

(in the less than 7% category)

Amongst 100 persons in the world, only eight live or exceed the age of 65!

If you are over 65 years old, be content & grateful.

Cherish life.

Grasp the moment.

If you did not leave this world before the age of 64, like the 92 persons who have gone before you, you are already the blessed amongst humankind.

Why Australia is in Trouble

The population of this country is 26 million
11 million are retired
That leaves 15 million to do the work
There are 9 million in school
Leaving 6 million to do the work
Of these, 3 million are “employed” by the federal government
So there’re only 3 million to do the work
500,000 are in the armed forces
Which leaves 2.5 million to do the work
Take from that total the 2.1 million people who
“work” for state and city governments
Just 0.4 million left to do the work
At any given time there are 18,800 people in hospital
Leaving 381,200 to do the work
Currently we have 380,198 people in prisons
That leaves just two people to do the work
You and me

And there you are
