From the Editor . . .

Hi Fellow Golfers! Who can remember, 20 years ago on the 27/11/1993 when what is now our front nine was first played on? Thanks to those who had the vision and then the many volunteers who followed that vision to give us the great course we have today.

Congratulations to those who competed in the finals of the Club Championships. Well done to Mike, Chris, Alan and John on winning your respective grades.

Congratulations to the winners of the Mixed Foursomes Championships. It was great to see an increase in competitors again this year and again a day enjoyed by all who participated.

Hope to see you all at the Trophy Presentation Night on Saturday 23rd November.

It was Remembrance Day during the past week and I received an email on the history of the "Last Post." I have included it as I am sure many of you, like myself did not know the full story of the "Last Post."

Any items of interest, achievements, stories and news etc. please send me an e-mail at ryeates@senet.com.au

Until next month, good golfing.

Captain's Report

Club Championships

Over the weekend the finals of our Club Championships were held with fantastic matches being played across all grades.

Winners were as follows:

Club Champion:	Mike Haslett
B Grade Champion:	Chris Nailer
C Grade Champion:	Alan Horsfall
D Grade Champion:	John Mason

A-Grade

In the A Grade we saw a match go the full 36 holes with Mike Haslett eventually prevailing over our 2012 Club Champion Jase Hyland, 2 up. Although getting off to a scratchy start with some poor putting, Jase's superior ball striking gave him a steady lead of up to 3 through most of the first 18 holes. A win to Mike on the 18th meant a 2 up lead for Jase at the halfway mark, however a chip in birdie on the 19th got the lead back to 3.

Mike countered with birdies on the 2nd and 4th and with Jase making a few bogies, scores were tied early on the back nine. With a further run of halves the match was all square on the 35th hole where Mike two putted for par from just off the right hand edge whilst Jase, after hitting a tee shot long couldn't salvage par despite hitting a fantastic chip shot from over the back of the green.

Jase needed to win the 36th to push the match into extra holes and was given a glimmer of hope after Mike pushed his tee shot well right. Unfortunately Jase's tee shot and chip both came up short. The resulting long par putt missed the hole and with Mike playing a nice chip shot to 4 feet and only needing two putts to win, Jase conceded the match.

Jase Hyland (left) congratulates Mike

B-Grade

In the B Grade Chris Nailer took on Andrew Thomas and it was Chris that took the early lead, steadily building a big advantage thanks to handling the pace of the greens much better. With a large lead at the halfway mark, the pause for lunch helped Andrew as the fast playing Chris faltered a little. Andrew began to hold his own, however the large lead built up in the first 18 holes proved too great with Chris running out the winner 7 & 5.

Andrew (left) congratulates Chris

C-Grade

In the C Grade Alan Horsfall took on Barry Sparrow, with Barry aiming for his 3rd straight Club Championship having claimed the C Grade title in 2012 and 2011. However it was Alan who slowly built a lead over the first 18 holes. Alan moved to 3 up as the holes remaining started to reduce, before holding on to win 3 and 2.

D-Grade

In the D Grade last year's champion John Mason took on Peter Downs with Peter building the advantage early to hold a 2 up lead at the completion of the first 18. However, it was John who took advantage early in the last 9 clawing back Peter's lead and winning 1 up to secure back to back D Grade Club Championships.

Peter (left) with John

Well done to all players involved. All matches were played in fantastic spirit with some very good golf played by all. Thanks also to those members who took time out of their usual Saturday games to referee the various matches.

All the results can be found on our Club Web site in the **Club Championships** page whilst further pictures can be found on the **Photo Galleries** page.

Presentation Night

The annual Presentation Night is fast approaching and it would be fantastic to see more new faces as well as many trophy winners as possible attend this night. A list of trophy winners will be placed on the notice board and website for members to check if they have won anything during the year as it may have been many months ago. Tickets to the night will be sold from the bar in the coming weeks.

President's Report

October's AGM

All went well. The main item to come out of it was the re-election of committee positions that became open. These were elected unopposed.

Greg Klatt - Vice President.

Geoff Quirk - Treasurer

Chris Greenwood - Vice Captain

Russell Yeates - Committee position

Tony Guy - Committee position

I would like to thank all those that stood and hope they enjoy the next 2 years on the committee.

New tables in the court yard.

You may have noticed the new tables in the court yard. I think we would all agree they were a job well done. The other good thing is they were made and donated by a member, so it cost the club nothing. Special thanks must go to Greg Klatt who built them and Tony Guy and Wally who helped Greg install them. From everyone, thanks guys!

Well, the course is looking great, so let's go out and have fun.

First the Apple

A woman ran a red traffic light and crashed into a
man's car. Both of their cars are
demolished but amazingly neither of them was
hurt.

After they crawled out of their cars, the woman
said; "Wow, just look at our cars! There's nothing
left, but fortunately we are unhurt. This must be a
sign from God that we should meet and be friends
and live together in peace for the rest of our days."
The man replied, "I agree with you completely.
This must be a sign from God!"

The woman continued, "And look at this, here's
another miracle. My car is completely demolished,
but my bottle of wine didn't break. Surely God
wants us to drink this wine and celebrate our good
fortune." Then she hands the bottle to the man.

The man nods his head in agreement, opens it,
drinks half the bottle and then hands it back to the
woman. The woman takes the bottle, immediately
puts the cap back on, and hands it back to the man.

The man asks, "Aren't you having any?"

She replies, "Nah. I think I'll just wait for the
police."

Adam ate the apple, too!

Men will never learn!

The She Oak Trophy

On 6th November, a day that was by far the hottest of our summer season so far, we hosted the She Oak Trophy Competition – an annual Stableford Team Competition between Echunga, Tailem Bend and Strathalbyn.

Our scheduled 9.30am start was brought forward on the morning in an attempt to beat the heat, requiring some re-organisation and the now expected great co-operation from our players. The visitors complimented us on the course's appearance and were happy to walk slowly through the sprinklers to cool down!

We were all grateful to retire to the cool of the clubhouse and our shared lunch. The scores were added up and the home individual winner was Pat Umlauf with 38 points.

Wendy (left) presenting Pat with her Trophy

The winning visitor was Pam Buik (Tailem Bend) with 31. We were very proud to regain the Trophy with an average score of 28, followed by Tailem Bend with 25 and Strathalbyn with 19.

Precise Mathematics:

This comes from 2 Math's teachers with a combined total of 70 yrs. Experience. It has an indisputable mathematical logic. It also made me laugh out loud. This is a strictly mathematical viewpoint.. it goes like this:

What Makes 100%?

What does it mean to give MORE than 100%?

Ever wonder about those people who say they are giving more than 100%? We have all been to those meetings where someone wants you to give over 100%.

How about achieving 103%?

What makes up 100% in life?

Here's a little mathematical formula that might help you answer these questions:

If:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

21 22 23 24 25 26.

Then:

H-A-R-D-W-O-R-K

8+1+18+4+23+15+18+11 =98%

And

K-N-O-W-L-E-D-G-E

11+14+15+23+12+5+4+7+5 =96%

But ,

A-T-T-I-T-U-D-E

1+20+20+9+20+21+4+5 =100%

And,

B-U-L-L-S-H-I-T

2+21+12+12+19+8+9+20 =103%

AND, look how far ass kissing will take you.

A-S-S-K-I-S-S-I-N-G

1+19+19+11+9+19+19+9+14+7 = 118%

*So, one can conclude with mathematical certainty that while **Hard work and Knowledge** will get you close, and **Attitude** will get you there, it's the **Bullshit and Ass Kissing** that will put you over the top.*

Now you know why some people are where they are!

20 Years ago

PRESIDENT PETER SAYS OVER THE ROAD

Well the time has arrived.

Next week, Saturday 27th November 1993, we will be officially allowed to use the **NEW 9 NINE HOLES** which we have watched slowly be developed over the last few years

It will be a great day for the Club to finally have an 18 hole course and I would like to thank everyone who has contributed in some way, whether large or small, towards the development of the new nine.

I am sure that you will appreciate the efforts by these people, especially by our green keeper Michael Nicholls and his assistant Andrew "Budgie" Daddow, to get these holes ready in a playable condition for the minimum of cost for your Club.

(At this stage I feel a thank you should also go to our President Peter Vivian for the time and effort he has put into preparing the new 9 holes. Peter has spent many days assisting Michael and Andrew when he should have been home doing his own work and his efforts too should be acknowledged.....Editor)

Unfortunately we cannot at this stage move our clubrooms to a more centralised spot and therefore in the interim a Manacon Toilet Block (a squatter's tank) will be purchased and placed over there for your use.

To celebrate the occasion and in recognition of their assistance both financially and manually (or personally) our Category 2 Ladies have been invited to join us on this day. In fact I think this is the first time that our Lady (Category 2) members have joined in a Saturday Competition with the men.

An official opening day will be held later possibly in April 1994.

(There is a rumour that the Committee was to hold a religious ceremony to bless the course but decided that it was not necessary as Frank "Furt" Chester had done enough "Blessing" over the past few weeks....Ed.)

OUR CLIENTS ARE OUR BUSINESS

“The Last Post”

If any of you have ever been to a military funeral in which The Last Post was played; This brings out a new meaning of it.

Here is something everyone should know.

Until I read this, I didn't know,

We have all heard the haunting song, 'The Last Post.'

It's the song that gives us the lump in our throats and usually tears in our eyes.

But, do you know the story behind the song? If not, I think you will be interested to find out about its humble beginnings.

Reportedly, it all began in 1862 during the American Civil War, when Union Army Captain Robert Ellicombe was with his men near Harrison's Landing in Virginia. The Confederate Army was on the other side of the narrow strip of land.

During the night, Captain Ellicombe heard the moans of a soldier who lay severely wounded on the field. Not knowing if it was a Union or Confederate soldier, the Captain decided to risk his life and bring the stricken man back for medical attention. Crawling on his stomach through the gunfire, the Captain reached the stricken soldier and began pulling him toward his encampment.

When the Captain finally reached his own lines, he discovered it was actually a Confederate soldier, but the soldier was dead.

The Captain lit a lantern and suddenly caught his breath and went numb with shock. In the dim light, he saw the face of the soldier. It was his own son. The boy had been studying music in the South when the war broke out.

Without telling his father, the boy enlisted in the Confederate Army.

The following morning, heartbroken, the father asked permission of his superiors to give his son a full military burial, despite his enemy status.

His request was only partially granted.

The Captain had asked if he could have a group of Army band members play a funeral dirge for his son at the funeral.

The request was turned down since the soldier was a Confederate.

But, out of respect for the father, they did say they could give him only one musician.

The Captain chose a bugler. He asked the bugler to play a series of musical notes he had found on a

piece of paper in the pocket of the dead youth's uniform.

This wish was granted.

The haunting melody, we now know as 'The Last Post' used at military funerals was born.

The words are:

Day is done
Gone the sun
from the lakes
From the hills
from the sky
All is well
Safely rest
God is nigh.

Fading light
Dims the sight
And a star
Gems the sky
Gleaming bright
From afar
Drawing nigh
Falls the night.

Thanks and praise
For our days
Neath the sun
Neath the stars
Neath the sky
As we go
This we know
God is nigh

I too have felt the chills while listening to 'The Last Post' but I have never seen all the words to the song until now.

I didn't even know there was more than one verse.

I also never knew the story behind the song and I didn't know if you had either so I thought I'd pass it along.

I now have an even deeper respect for the song than I did before.

"I know your tee-time was for 12:30, but we're a little backed up. So you should be able to tee off within the next 7 hours."

Irish Road Accident

Paddy phones an ambulance because his mate's been hit by a car.

Paddy: 'Get an ambulance here quick, he's bleeding from his nose and ears and I tink both his legs are broken.'

Operator: 'What is your location sir?'

Paddy: 'Outside number 28 Eucalyptus Street.'

Operator: 'How do you spell that sir?'

Silence.... (heavy breathing) and after a minute.

Operator: 'Are you there sir?'

More heavy breathing and another minute later.

Operator: 'Sir, can you hear me?'

This goes on for another few minutes until....

Operator: 'Sir, please answer me. Can you still hear me?'

Paddy: 'Yes, sorry bout dat... I couldn't spell eucalyptus, so I just dragged him round to number 3 Oak Street.'
