From the Editor . . .

Hi Fellow Golfers!

A great turn out for Opening Day considering it was Easter Saturday and seemed to be enjoyed by all. The course is still in great shape, thanks to both the ground staff and to the volunteer group who are doing an excellent job around the course.

The Ladies are well into their Pennant season and we wish them well in their matches.

The Handicap Match Play is coming up soon and for those wishing to play in the Men's Pennants this year please add your name to the list near the Book In sheet.

With the weather so good we have still been getting 140 plus out on a Saturday so it is important we all avoid hold ups causing slow play. **Make sure you keep up with the group in front of you, not just in front of the group behind you.** Don't forget to fill your divots and repair your plug marks!

Any items of interest, achievements, stories and news etc. please drop them in the putter box on the bar or send me an e-mail at ryeates@senet.com.au. Until next month, good golfing.

Competition Prizes

As an alternative to golf balls we now have wine glasses back in stock. These can be claimed as an alternative for those lucky enough to get on the prize list.

Tee Times

The Match Committee and the General Committee has decided not to run the permanent tee booking for the current period as previously organized. This decision has been taken due to the fact it would create problems reserving blocks of tee times for the upcoming Foursomes Championships, the Handicap Match Play starting next month and the Club Championships later in the year. This means that all members will be required to book their tee spots each week as per the previous system.

All money will be returned to those who had paid for a permanent tee time by asking at the bar.

Opening Day

Although it was Easter Saturday 92 members fronted for a sausage sizzle breakfast, an Ambrose Comp with several groups posting very good scores and a great lunch of a Chicken Schnitzel Burger with chips followed by Apple Crumble and Ice cream.

Thanks to Greg and his helpers for the organization of the Comp and to Heather and her many helpers for providing our lunch.

New Green

The 15th is much closer to being ready for play. The surrounds and the green look to be in very good condition, but the fairway is still a bit patchy. Michael is on holidays for this week and updates from John suggest that it could be ready in a couple of weeks. No firm date can be given yet.

Junior Pennants

Have been played over the last five weeks and Echunga fielded teams in two Divisions, the A1 and B2 grades. Due to unavoidable absences over three of the four weeks we have not had full teams every week. The players however acquitted themselves extremely well and the Southern Golf Group with Steve Hayes as Coordinator has managed to lift the profile of Junior golf quite significantly over the last three years so that it is now a very healthy competition.

Survey Summary

Survey responses are in and collectively they make a very interesting set of opinions from which we can draw some directions. I have prepared a summary for committee consideration as we begin this planning period over the next couple of months toward our 2012/13 budget.

Sponsor Update.

We are well into the process of confirming Sponsors both existing and new for 2012/13.

Paul Freer has confirmed his interest in sponsoring the club through a mixture of cash and products and targeted toward the Development Academy.

Birkenstock in the Hills have changed hands and will not be continuing their sponsorship at this stage. We have thanked them for their support and kept the option open for them to take it up again at another time.

Mike Williams has added a weekly \$50 gift voucher for NTP on the 2nd with his Hills Hire arrangement.

Others to extend their sponsorship at this stage are Neutrog, Bowden Print, Mad Aussie Signs and Dynamic Paint N Panel, Peak Fresh and Coopers Rural.

We have several new sponsors interested and negotiations with them are continuing, but we are always open to recommendations of new businesses that can be approached to join our sponsorship list.

Council

Whilst the Mt Barker Council at their council meeting approved the lease agreement for the Golf Course they had made several amendments to the original draft. These changes are still being discussed between both parties.

CCTV

Danny Willgoose has been very busy installing the new CCTV system. It will be a system that covers both inside and outside of the clubhouse with extra security for our Bar Staff and monitoring screens in both the Office and Canteen areas.

Seniors Card promotion

This promotion is proving to be very useful in promoting the club. We are keeping a good data base of Seniors taking up the option and it seems to be gathering momentum. The number of players from outside the club, during the week is increasing and many are becoming repeat green fee players and a number have elected to join.

Focus groups

I would like to acknowledge the efforts of Eric March and the willingness of members to be involved in the different focus groups that are being drawn together. The idea is to gather informed ideas, discuss and provide some guidance to Committee in a range of areas. It also draws on the expertise and energy within the club.

Vice Captain Resignation

Ben Slack has tendered his resignation as Vice Captain. Ben feels he is unable to give the time and attention to his current role within the club as the responsibility to his family has to be a priority. The Committee is looking at options to fill this vacancy.

Club Trivia

As at the 31st March we had 372 Male members with recorded handicaps.

Out and About

Flagstaff Hill (March 15th)

Remember the Wednesday when after golf we had torrential rain, thunder, lightning and hail? The next day, Sharon, Libby and I set off to play in a 3BBB at Flagstaff Hill. We expected to find the course boggy in places and the creeks running. Golf courses are amazing – we were delighted to find the course quite playable with the only signs of bad weather being drifts of leaf debris and furrows left by the water run-off.

We had a disastrous first hole – probably because we were still congratulating ourselves on our luck on teeing off on the tenth. So we gritted our teeth and decided to try and improve!! We had several good holes and many average ones, but were quite pleased in the end with our score of 45. There were 35 teams and the winning teams scored, 54, 49 and 48 and we were comfortably in the ball run down.

Grange

March 20th was spent playing a 3BBB at Grange. The weather was beautiful at first: sunny and mild; later we had to contend with a fairly strong north wind. Four of us represented Echunga: Libby, Sharon and I in one team and Mary played with one friend from Grange and another from the Adelaide Kiwi Club. We were again fortunate in our starting tee – it doesn't get better than the first. Sharon, as usual, played very steadily and Libby had some beautiful long hits, but thanks to contouring and the cut of the grass, had lots of bunker practice. We had a few interesting moments during our round. Grange does not have conventional tee markers and during the current course reconstruction is playing several different coloured courses. Thus we occasionally hunted in the wrong direction for the next tee. On the second nine, I was suddenly yelled at to stop my set up as I seemed to be hitting off the 4th but on further searching, we discovered it was also the 13th and our intended tee! Libby had her bag ransacked by the resident thieving crow – it scattered food about but tried to eat her bag of tees! There was huge excitement as we scored an eagle on the par 5 sixteenth.

The day's winner was a Grange team with 54 points, 2nd was a team from Willunga with 49 (Anne McDonald also won the A grade long drive) and Mary's team came 3rd on a count back to much acclaim from our table.

Blackwood

Two teams from Echunga played in this 3BBB on 23 March: Leonore, Sue M and Janeen; Lisa, Ann M and I. The day was grey and cloudy at the start and we had barely arrived at our starting tee when it began to rain which rather dampened our spirits. The skies did however brighten up and the rain held off until we were two holes from the clubhouse! We also had a few buggy problems. Lisa was glum faced in the carpark as she realized that her battery was still at home. Sue nearly lost her brand new buggy when it suddenly took off, helped by gravity; Leonore swore that Sue grew wings as she raced in desperation to catch it - she succeeded with an heroic lunge a split second before it went over the precipice into the storage dam!

Sue happily reunited with her new buggy

Both teams had scored steadily and had an "if only" moment when the winners were announced on 46! We did go home with some prizes though! Janeen won an A grade ntp – and got the putt for a birdie! Sue T (playing with Mt Lofty) won the B grade ntp (replacing me on the card!) Ann had some incredible purchases from the plant stall – there was hardly room in the ute for a passenger – and then won first prize in the raffle, a huge basket of goodies donated by local pharmacies. Not to be outdone, lucky Leonore won the last (but by no means least) raffle prize – a large earthenware pot filled with gardening tools and accessories and a beautiful cyclamen.

Mt Barker-Hahndorf

We left home on 30 March in bright sunshine, travelled through fog near Hahndorf which soon dissipated, but as we approached Mt Barker-Hahndorf, the temperature plummeted and the fog thickened! Janet, Beatrice, Janise, Sue T and I enjoyed our day of golf – once the sun re-

established itself! This was Janise's final game as a member of our club: she has moved to the coast and aims to travel this year! We thank her for her contribution, her friendship and look forward to seeing her handicap decrease even further!!

Farewell to Janise

There were 115 players in the field representing 20 clubs and I think every player agreed that the greens were very fast and difficult to read. The course was looking beautiful and it was a delight to have such run on the fairways – though had it been forward instead of sideways, we would have been even happier.

Helen Lyon was there representing the zone and thanked Mt Barker-Hahndorf for their hospitality. A score of 38 won the day for A and B grades, 36 was the winner for C grade and we were delighted to hear that Janet had won on a count-back.

She received a magnificent prize of a shirt, golf

towel, bottle of wine and a ball! Her grin was something to behold!! Some of her luck must have rubbed off because I won a two bottles of wine gift pack as third prize in the raffle. NB this is the third year in a row that we have won C grade here – let's continue the tradition!

*You Gotta Luv Granny!!
Now, how about a joke about
grandma & grandpa??*

Grandma and grandpa were watching a religious healing program on TV.
The evangelist called to all who wanted to be healed, to put one hand on the TV and the other on the body part they wanted healed.
Grandpa hobbled to the TV and put one hand on the TV and the other on his crotch.
Grandma looked at him with disgust....
"You just don't understand do you, you old coot..
The purpose of this program is to heal the sick, not raise the dead!!!"

"You put your golf clubs in the lifeboat before me. I now know where I stand in this relationship."

Some sound advice??

Just imagine...

If you had purchased \$1,000 of shares in QANTAS one year ago, you would have \$49.00 today!

If you had purchased \$1,000 of shares in AIG one year ago, you would have \$33.00 today.

If you had purchased \$1,000 of shares in Lehman Brothers one year ago, you would have \$0.00 today.

But, if you had purchased \$1,000 worth of beer one year ago, drank all the beer, then turned in the aluminium cans for recycling refund, you would have received \$214.00.

Based on the above, the best current investment plan is to drink heavily & recycle.

A recent study found that the average Aussie walks about 900 miles a year.

Another study found that Aussies drink, on average, 22 gallons of alcohol a year.

That means that, on average, Aussies get about 41 miles to the gallon!

Makes you damned proud to be an Aussie!
