## Country Junior Champion

A BIG congratulations to Echunga Junior Billy Cawthorne who is the 2013 Golf SA Country Junior Champion after winning the 54 hole championships held at Pt Lincoln Golf Club on Saturday 21<sup>st</sup> and Sunday 22<sup>nd</sup> of September with a three round total of 228 (76, 80, 72).

Going into the final round 4 shots behind the leader Billy played a near flawless round of golf to shoot a closing even par 72 to win by 4 shots.

Congratulations also to fellow Echunga member Elliott Willgoose who along with Billy formed part of the Southern Districts team that took out the Boys' Team event.

## Captain's Report

### Club Championships

Our Club Championships qualifying games have now been run and the competition now moves into the matchplay phase so well done to those who have qualified and good luck during the head to head matchplay games. Matchplay is a fantastic format to play golf, as it adds an additional interesting component into your normal round of golf. However, I would like to remind players that whilst matchplay can be intense and competitive, all players must play fairly and within the rules of golf whilst ensuring they uphold the etiquette requisite within golf.

### Slow play

Over the past fortnight I have heard a number of comments around slow play due to the length of rounds during our club championships qualification rounds. Whilst this slow play is caused by a number of factors (full fields, stroke play, long grass and pesky white flowers...) there are a number of things each player and group can do to try and alleviate the problem:

1. Always play a provisional ball if you believe your first shot may be difficult to find.
2. Carefully watch every shot you play, no matter how bad. Do the same for each shot of other players in your group.
3. Play "ready" golf. Ignore honour and play whenever you are (a) ready and (b) safe to do so.
4. If you find yourself behind have the first 2 players in the group putt out and move to tee off.
5. Let other groups through - but ensure this is done efficiently. A good rule of thumb for this is if you call a group through and you subsequently find the lost ball, continue playing the hole if the group called through has yet to reach you.

Finally it is also very important for other players to show tolerance. We have all been in groups that have a bad run of holes and lost balls which result in falling behind, sometimes through very little fault of their own. Being frustrated out on the

course makes very little sense given it is unlikely to solve anything and unlikely to help your own game.

### **Eagles**

We have had a few eagles over the past couple of months and I would like to remind players that if you have had an eagle make sure you clearly mark this on your card by circling the score and writing **\*\*EAGLE\*\*** boldly across the top of your card.

### **Online booking**

It is great to see that the vast majority of members are now using the online booking system correctly as the number of bookings without playing have dropped substantially. However, this will continue to be monitored as we move towards our busy summer months.

### **Two tee system**

I have had a number of questions around when the two tee system will be in place, even though this is clearly marked within the member handbook.... This system will be implemented directly after our Club Championships have finished. As such it will be important that members take time to check their bookings within the online booking system to ensure they know if they are booked off the first or the tenth.

### **Presentation Night**

The annual presentation night is fast approaching and it would be fantastic to see more new faces as well as many trophy winners as possible attend this night. A list of trophy winners will be placed on the notice board and website for members to check if they have won anything during the year as it may have been many months ago. Tickets to the night will be sold from the bar in the coming weeks.

*Hugh Griffin*  
*Captain*

### **On Line Booking Confirmation**

Thyme software fixed the email system on our online site so you can send emails to the club and between members and I believe this has meant that everyone who now makes an online booking will also receive a confirmation email.

If you have any questions about this email it is simply a CONFIRMATION email. Nothing more.

## The Pastor's Ass

The Pastor entered his donkey in a race and it won!!

The Pastor was so pleased with the donkey that he entered it in the next race, and it won that race too.

*The local paper read:*

### PASTOR'S ASS OUT FRONT.

The Bishop was so upset with this kind of publicity that he ordered the Pastor not to enter the donkey in another races.

*The next day the local paper headline read:*

### "BISHOP SCRATCHES PASTOR'S ASS".

This was too much for the Bishop, so he ordered the Pastor to get rid of the donkey.

The Pastor decided to give it to a Nun in a nearby convent.

*The local paper, hearing of the news, posted the following headline the next day:*

### NUN HAS BEST ASS IN TOWN!!

The Bishop fainted.

He informed the Nun that she would have to get rid of the donkey as soon as possible.

So she sold it to a local farmer for \$10.

*The next day the paper read:*

### "NUN SELLS ASS FOR \$10".

This was too much for the Bishop so he ordered the Nun to buy back the donkey, and take it to the plains where it could run wild.

*The next day the headlines read:*

### NUN ANNOUNCES HER ASS IS WILD AND FREE.

The Bishop was buried the next day.

The moral of the story is . . . being concerned about public opinion can bring you much grief and misery, even shorten your life.

So be yourself and enjoy life.

Stop worrying about everyone else's ass and you'll be a lot happier and live longer!

Have a nice day and laugh!

# **Out and About**

## **Friday 13<sup>th</sup> September – Murray Bridge Classic (Stableford)**

After another night of heavy rain, we set off to Murray Bridge hoping that yet again the weather gods would be kind. There were some showers during the first nine holes, but the day cleared nicely albeit with some dramatic storm clouds looming in the distance. Most of us, after our Wednesdays away at MB are used to the roll, the dry conditions and resigned to the reality that despite these benefits, our scores will be disappointing!

Happily, some of our members have learnt from experience and were not fazed by the date. Janeen stormed home with a score of 35 and runner-up (only one point behind the winner) in A grade. Thirty four was the winning score for B grade. Priscilla won C grade with 29 points and Janet was runner up with 27 points.

## **20<sup>th</sup> September – South Lakes SSG Closed Championships A and B grades – Stroke**

The weather was perfect for this event – clear skies, very little wind and it was warm! A grade started on the first tee and B grade on the tenth and with the groups organized in threes the field moved freely.

Fairway conditions were a little difficult for most of us to contend with (despite our MB experience!) There was lots of roll on the fairways, but also lots of bunkers and water – and those greens!! This competition is always played in a great atmosphere as we tee up against our pennant rivals.

We all had stories to tell of amazing shots and missed opportunities, but we only had one star – thank goodness for our Captain, Janeen!

A grade Gross Winner - 88 (Mt Barker-Hahndorf) **Net Winner 68 (Echunga) Janeen Coleman**

B grade Veteran and Gross Winner (Belair) Pat March 93/67, Net Winner (McCracken) 72

Team event 225

Note: C grade Championship was cancelled.

## **26<sup>th</sup> September – West Lakes – Stableford**

West Lakes always manages to order perfect weather conditions for this day – such is the level of their organization. After a night of near gale force winds and a forecast of more to come, we played in very pleasant warm conditions with only a slight breeze.

We had a shotgun start and played in fours. Five Echunga players participated. The course has changed shape since our last visit with the extensive wet lands area adjacent to the tenth and eleventh holes now quite well established and providing interesting extra hazards.

Again the conditions were very good, but we could only talk of missed opportunities. The large greens showed up some deficiencies in putting, but our bunker play is improving.

At the end of the day, home ground experience was an advantage with West Lakes players leading the scoreboard.

There were 116 players representing 13 clubs. The winning scores were: A grade (0-23) 35, B grade

(24-34) 36, C grade (35-45) 34. The generous prizes were donated by the day's sponsor Phil Hoffman travel. There was also a large trading table and a raffle – Libby won a beautiful fruit bowl.

## What is the difference between COMPLETE and FINISHED?

In a recently held linguistic competition held in London and attended by supposedly the best in the world, Samsundar Balgobin, a Guyanese man, was the clear winner with a standing ovation which lasted over 5 minutes.

The final question was:..

How do you explain the difference between COMPLETE and FINISHED in a way that is easy to understand?

Some people say there is NO difference between COMPLETE and FINISHED.

Here is his astute answer...

When you marry the right woman, you are COMPLETE.

When you marry the wrong woman, you are FINISHED.

When the right one catches you with the wrong one, you are COMPLETELY FINISHED!!

## **SUPPORT OUR SPONSORS**

Anne & I were caravanning in Queensland recently. We had a collision with a Kangaroo. Upon our return to Adelaide we arranged for Dynamic Paint N Panel (Cos Condo) to complete necessary repair work to our Toyota Kluger. Cos and his team did a terrific job and their friendliness was a big feature of their service. I would recommend to Echunga Golf Club members to consider using Dynamic Paint N Panel if they need vehicle repair work.

### **The Garage Door**

The boss walked into the office one morning not knowing his zipper was down and his fly area wide open. His assistant walked up to him and said, 'This morning when you left your house, did you close your garage door?' The boss told her he knew he'd closed the garage door, and walked into his office puzzled by the question.

As he finished his paperwork, he suddenly noticed his fly was open, and zipped it up. He then understood his assistant's question about his 'garage door.'

He headed out for a cup of coffee and paused by her desk to ask, 'When my garage door was open, did you see my Hummer parked in there?'

She smiled and said, 'No, I didn't All I saw was an old minivan with two flat tires..'

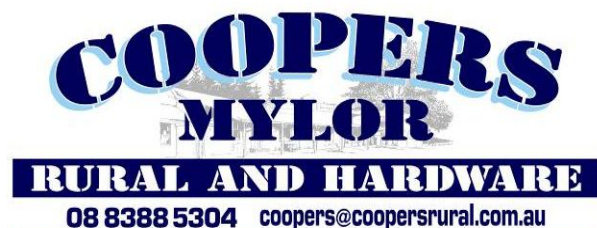

*"Sorry, but I've 18 other cavities to fill this afternoon!"*
