From the Editor . . .

Hi Fellow Golfers! Congratulations to Heather and her helpers for putting on a great meal again on Presentation Night.

Well done to Hugh and his helpers for their efforts in organising the trophies and the presentation of the trophies ran very smoothly.

Great to have one of our Sponsors, Raine and Horne using our facilities for their Christmas break up and thank you for inviting Golf Club Members to the music evening.

Once again we are coming to the end of another year and I would like to thank those who have contributed to the Putter this year, without your help it would be difficult to put out each month.

I would like to thank you for reading the Putter each month and on behalf of the Management Committee and the Golf Club Staff, wish you and your families all the best for the Festive season and a safe New Year.

If you have any items of interest, achievements, stories and news etc. please send me an e-mail at ryeates@senet.com.au

Until next month, good golfing.

Twilight Golf

Now on each Wednesday
Hit off times 4:00pm to 6:00 pm
9 hole Stableford Comp
\$4.00 per round
Non members \$10.00

Dear Santa,

I don't want much for Christmas, I just want the person reading this to be happy ...

Friends are the fruit cake of life- some nutty, some soaked in alcohol, some sweet but mix them together and they're my friends.

Love ya.

Up and coming events . . .

Christmas Trophy

Held over 3 rounds, Stableford, Par and Stroke. Won this year by

Garth Watts

With scores of 37, +3 & 67
Well done! A great effort.

Captain's Report

Practising on the course

It is disappointing to see and hear stories of early morning players once again practising around the area of the temporary hole and 8th tee block. Members are reminded that this **IS NOT** a practice area and using it as such contravenes the rules of golf in regards to practising on the course.

Whilst chipping and putting on and in the immediate vicinity of the temporary green is fine when the hole is not in play, the practice of hitting balls from the temporary hole towards the 8th tee block / temporary hole tee block / scrub is not allowed in any circumstances.

If you are seen to be doing this in the future you will be disqualified from the days competition.

Rules of Golf

Every month or two I would like to try and cover a rule that specifically relates to our course so we can dispel the various rumours that surround the rules that I regularly hear. As such if you have a general question or regularly encounter an area on the course which you are unsure about in regards to the rules, then please let me know and I will try and cover it personally or within the putter: info@echungagolf.com.au

12th hole drain

This month I would like to start with our 12th hole and the infamous drain, depression, natural water course that crosses the 12th fairway around 150 metres from the green.

Whilst the definition of what this area may seem a little hazy the match committee would like to state that the **area which runs across the fairway is a drain.**

The reasoning behind this is very simple and makes the definition clear if you think logically. The area on the left hand side leading onto the fairway is clearly a drain, as is the area leading off the fairway on the right hand side – clearly the section between cannot be anything other than a drain also. As per our Local Rules covering drains if your ball comes to rest in the drain, or the drain affects your stance you MAY treat the area as GUR. This will entitle you to free relief, taking a drop within 1 club length of your nearest point of relief – ensuring that you take full relief from the drain.

Hugh Griffin *Captain*

New Members

Welcome to the following new members who have joined our Club over the past month and to some previous members who have rejoined.

Tuesday Working Bees

Well done to the volunteer group on their very professional paving in front of the practise nets. Together with the new mats (which you use your own tee's in) this area has received a welcome face lift.

Slope and my handicap

Slope

The handicap system used in Australia will be changed on 23 January 2014 to incorporate the use of Slope. Under Slope, a golfer's playing handicap on any given day will be determined according to the difficulty of the tees or course to be played. Golf Australia believes that this will be fairer than our current one-handicap-fits-all-courses method.

What are the features of Slope?

- Every set of tees on every golf course around the country will have a Slope Rating which has been determined in accordance with the new course rating system. The maximum Slope Rating is 155 (most difficult) and the minimum is 55 (least difficult). The Neutral Slope Rating is 113.

Every set of tees will also have a Scratch Rating.

- GOLF Link will calculate a nationally-standardised handicap index for every player and this will be called the **GA Handicap**.

- A **GA Handicap** will be calculated by using the best 8 of a player's most recent 20 scores (ie best 8 of 20, x 0.93). However, every score in every player's score history will first be standardised by GOLF Link against a Slope Rating of 113.

As a result, the **GA Handicap** will reflect a golfer's ability on a course which has the neutral Slope Rating of 113.

- The **GA Handicap** is not intended for use as a playing handicap. It is to be used in conjunction with the Slope Rating of the set of tees being played to calculate a golfer's playing handicap for the day, and this will be called the **Daily Handicap**.

- It is the **GA Handicap** that will be displayed in a player's GOLF Link record on www.golflink.com.au

How will Slope make things fairer?

Generally speaking, a high-marker finds it harder to adjust to a difficult course than a low-marker does. Slope adjustments will play a balancing role. For example, if the Black Tees are harder than the White Tees, a high-marker may play the Black Tees off a handicap of 28 and the White Tees off 24. The elite player finds it easier to adjust, so they may play the Black Tees off 4 and the White Tees off 3.

Golf Australia believes this is fairer than having the difference between the elite player's handicap

and the high-marker's handicap always stay the same.

Every time before I play a round, I should check what my Daily Handicap will be.

How can I do this?

- Different clubs will use different methods to communicate **Daily Handicaps** to golfers. Examples of different methods include via the use of existing club computer systems, and via direct printing on to score cards. Some clubs will provide easy-to-use **Daily Handicap** look-up posters.

- The GA website and the GOLF Link website will feature **Daily Handicap** calculators.

I know that I will be playing off my Daily Handicap when I visit another club, but what handicap do I use at my Home Club?

- Whether you are playing at an away club or at your Home Club, you will need to check your **Daily Handicap** for the tees you are playing from and play off this handicap.

- Home Club Example: A player with a **GA Handicap** of 22.3 when playing off the White Tees (eg Slope Rating of 119) at their Home Club will play off a **Daily Handicap** of 23; and when they play off the Blue Tees (eg Slope Rating of 136) will play off a **Daily Handicap** of

27. (Note: The same calculations would apply if the example was for an away club.)

What is the formula that GOLF Link will use to calculate a Daily Handicap?

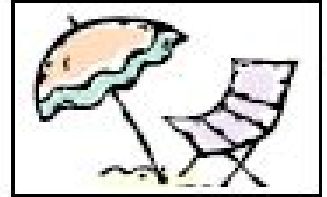

Daily Handicap = GA Handicap x Slope Rating ÷ Neutral Slope Rating (ie 113)

More information is on the leaflets in the clubhouse and on the Golf Australia web site. www.golf.org.au

Echunga Golf Club Inc
Management Committee

Have you noticed the new tables and seats under the umbrellas on the paved area?

They look great but make our current outdoor furniture look rather second rate

To enable the Club to update to Aluminium stackable chairs and polished metal tables we are asking members who wish to either donate on their own, combine with a friend or friends and donate money to purchase either a chair or table.

In return a plaque with names of donors will be affixed to the chairs and tables.

At this stage we need 24 chairs and 10 tables

If you are interested please give Bar Staff the money and the names of the people to be put on the plaque.

**Sponsor
an outdoor
chair for \$30
or a table for \$140**

Pink Ball Day – Wednesday 13th November

The course was looking magnificent and the clubhouse was thronged with women wearing pink. However, the number thirteen has weird and wonderful connotations and this certainly held true for this charity fund raiser day! First there was the unexpected advent of the temporary hole. Next was the reconciliation of the pink ball card and the individual card and adjusting scores to the changed index. The main purpose of the day was to raise money, have a good round of golf and consolidate friendships and we had a great day.

Pat, Pat and Leonore elected to tend the clubhouse – making the trophies look beautiful, organising tables, preparing food and ironing out any player problems on the way! The rest of us enjoyed

ourselves and laughed at the plight of those looking for the pink ball! Each player played an individual Stableford round, but every third hole it was that player's turn to play with the pink ball and that score was used both individually and on the team pink score card. Amazingly only three groups lost their ball.

We enjoyed a delicious yiros lunch followed by pink cupcakes and fruit platters.

The Team from Links Lady Bay

There were many pink scores around the low thirties, but the winners with 38 points were the Links Lady Bay team of Marg Bond, Deb James and Vicki Trabilsie.

Janeen (left) receiving her trophy from Wendy

The A grade winner was Janeen Coleman with 39 points from Vicki Trabilsie on 38.

The B grade winner was Meryl Easling from Flagstaff Hill with 36 points from Mary Holton 32.

Meryl (right) receiving her trophy from Wendy

The NTP winners were: Deb James (LLB) on 7 and Sharon Pascoe 17 for Div 1 and Carol Pelle (Strathalbyn) on 2 and Susi Schebella (Strath) 18 for Div 2. A great and harmonious day was enjoyed by all thanks to the help given by all our members. From the purchase of trophies and donation of raffle prizes to food preparation, cake making, washing up and as usual being friendly ambassadors for our club.

Blackwood Canadian Foursomes – Tuesday 26th November

Three of us played in this SA Golf Day. The morning was already humid and warm when we registered and as the clouds rolled back the temperature rose and the sun had a real bite. The course was looking magnificent and many of the trees along the fairways were being heavily trimmed – which removed one major obstacle on the first!

There were 56 visitors representing 13 clubs and 54 Blackwood players, with the home players dominating the winners' list. The gross winners came home with 80. The winners of Div 1 scored 69 net and Div 2 63.5 net. The ball run down went to 75.

Wendy Jackson
Captain

Oakbank Guest Day - Tuesday 26th November

Six Echunga women were guests at Oakbank Women's Club Day. Thank goodness it was a Pinehurst Competition as it was a very warm day of 34 degrees and the dry fairways while in good condition, did not have the water on them to cool down the surrounding areas.

The hard conditions made it good for distance with roll on and the greens having just been cored and sanded were similar to Echunga's so we didn't experience their usual lightning fast conditions.

With little hold ups we were into the clubhouse within 3 ½ hours ready for their shared lunch and presentation.

I played with an Oakbank woman and managed to sink putts and have good drives so came in with a 64 net which was the overall winner.

Adelaide Shores Golf Coaching Clinics – November 2013

During November, 20 members nominated for the free coaching clinics from Adelaide Shores Golf Academy which are provided under the Sponsor Agreement with the Echunga Golf Club.

Very positive feedback was received from those involved.

To those members who didn't nominate keep a watch out in next year's 'Putter' or for notices in the clubhouse regarding any future **Free** coaching.

Geoff Quirk

PLUMBING+GAS

A SPANISH Teacher was explaining to her class that in Spanish, unlike English, nouns are designated as either masculine or feminine. 'House' for instance, is feminine: 'la Casa.' 'Pencil,' however, is masculine: 'el lapiz.'

A student asked, 'What gender is 'computer'?' Instead of giving the answer, the teacher split the class into two groups, male and female, and asked them to decide for themselves whether computer' should be a masculine or a feminine noun. Each group was asked to give four reasons for its recommendation.

The men's group decided that 'computer' should definitely be of the feminine gender ('la computadora'), because:

1. No one but their creator understands their internal logic;
2. The native language they use to communicate with other computers is incomprehensible to everyone else;
3. Even the smallest mistakes are stored in long term memory for possible later retrieval; and
4. As soon as you make a commitment to one, you find yourself spending half your paycheck on accessories for it.

The women's group, however, concluded that computers should be Masculine ('el computador'), because:

1. In order to do anything with them, you have to turn them on;
2. They have a lot of data, but still can't think for themselves;
3. They are supposed to help you solve problems, but half the time they ARE the problem; and
4. As soon as you commit to one, you realize that if you had waited a little longer, you could have gotten a better model.

The women won.

THE "51103" CLUB

The **51103** is a social golf club for Echunga Members.

We will be visiting different courses one Sunday a month, running our own competition and handicapping cards.

Upcoming Events:

- * 29th December Ashbourne
- * 19th January Mt Barker/ Hahndorf
- * 16th February McCracken
- * 30th March Echunga

Booking sheet is on the notice board and numbers will be limited to 20, so book early to avoid disappointment.

Christmas Message

With Xmas upon us I would like to share a personal experience with my friends about drinking and driving.

As you may know some of us have been known to have brushes with the authorities from time to time on the way home after a "social session" with friends.

Well two days ago I was out for an evening with friends and had more than several beers followed by a couple of bottles of some rather nice red wine. Although feeling jolly I still had the sense to know that I may be slightly over the limit.

That's when I did something that I've never done before – I took a cab.

Sure enough on the way home there was a police roadblock but since it was a cab they waved it past and I arrived home safely without incident.

This was a real surprise, as I had never driven a cab before, I don't know where I got it and now that it's in my garage I don't know what to do with it.

So if you want to borrow it give me a call.
