From the Editor . . .

Hi Fellow Golfers! Wishing you all the best for the New Year and hope your new year's resolutions come to fruition.

Great to see so many new members join in the past months. Welcome aboard!

The Women's Open Day has once again been fully booked out, not surprisingly with the wonderful job Pat (President) and Wendy (Captain) along with their many helpers do in preparing and promoting this event.

Autumn Classic entry forms are on the web site so get in quick to book a spot in either the Morning or Afternoon rounds.

This year's Autumn Classic Raffle will be bigger and better with some great prizes on offer, so grab your tickets from the bar.

The sponsor a seat or table went extremely well, with all the seats sponsored, but I believe there are still several tables available.

If you have any items of interest, achievements, stories and news etc. please send me an e-mail at ryeates@senet.com.au

Until next month, good golfing.

Captain's Report

Practising on the course

It is disappointing to see that the newly re-turfed 10th Tee Block has been vandalized!

It would appear that someone has decided to use it as a practise area and hit a considerable number of balls from a confined area on this Tee Block, destroying a large area of turf.

If you wish to hit a number of practise balls, please do it from the rough and fill your divots if needed.

The Management Committee would like to offer One Dozen Golf Balls to anyone who can offer information as to who may have done this damage to the course.

Hugh Griffin
Captain

Slope and my handicap

Slope

The handicap system used in Australia will be changed on 23rd January 2014 to incorporate the use of Slope. Under Slope, a golfer's playing handicap on any given day will be determined according to the difficulty of the tees or course to be played. Golf Australia believes that this will be fairer than our current one-handicap-fits-all-courses method.

What are the features of Slope?

- Every set of tees on every golf course around the country will have a Slope Rating which has been determined in accordance with the new course rating system. The maximum Slope Rating is 155 (most difficult) and the minimum is 55 (least difficult). The Neutral Slope Rating is 113.

Every set of tees will also have a Scratch Rating.

- GOLF Link will calculate a nationally-standardised handicap index for every player and this will be called the **GA Handicap**.

- A **GA Handicap** will be calculated by using the best 8 of a player's most recent 20 scores (ie best 8 of 20, x 0.93). However, every score in every player's score history will first be standardised by GOLF Link against a Slope Rating of 113.

As a result, the **GA Handicap** will reflect a golfer's ability on a course which has the neutral Slope Rating of 113.

- The **GA Handicap** is not intended for use as a playing handicap. It is to be used in conjunction with the Slope Rating of the set of tees being played to calculate a golfer's playing handicap for the day, and this will be called the **Daily Handicap**.

- It is the **GA Handicap** that will be displayed in a player's GOLF Link record on www.golflink.com.au

To make these changes the Golf Link Web Site will be OFFLINE from Monday 20th January until Thursday 23rd January.

More information is on the leaflets in the clubhouse and on the Golf Australia web site. www.golf.org.au

Course Improvements

Shortly work will commence on upgrading the 2nd Tee Block. Whilst the work is being carried out we will be using the Temporary Hole in front of the Club House for about four to six weeks.

The mound on the right of the 1st fairway just before the green is to be removed and spread back into the scrub. This is because with it in place you cannot see if your ball goes into the water hazard on the right of the green. The rules of golf state that if you do not see it accurately go in the water you must replay the ball from where you last hit.

The Committee hope this will stop any confusion over this ruling.

Thought this one might get a laugh??

Post Christmas there have been a few smart new bags, brollies and even clubs on display around the 1st tee, BUT who putted 3 on the 1st green and then realised she hadn't taken the plastic off her putter??

The choughs are back. Ten were seen flying into the trees near the 3rd green on Wednesday.

PRESIDENT'S REPORT - (Peter Vivian)

I trust that all members had an enjoyable festive season and are now looking forward to what the year 1994 will bring forth.

Our Club can only look forward as we have a great start for the New Year with the use of the new nine holes. Already, after only a few weeks, the OLD nine is looking better because of the less use it is receiving whilst the NEW nine continues to improve from week to week as a result of this fickle weather which we are experiencing.

Although there has not been any official public notice about our Club becoming an 18 hole course, the word has certainly spread as our green fee players and Social Bookings have increased.

Junior Report

Our own Billy Cawthorne has been busy lately with many State Junior competitions being held and he certainly is making his mark in all the events he has entered.

Golf SA Junior Open – Boys

Held on the 9th – 10th December at West Lakes Golf Club

Billy was the Gross runner-up by 2 shots with rounds of 73 & 75

He finished 5th on handicap with a nett 144

Well done Billy.

Golf SA Junior Open

Held on the 16th & 17th December 2013

Monday 16th December

the 1st 18 holes were held at Flagstaff Hill

Tuesday 17th December

the 2nd 18 holes were held at Blackwood

Billy was the Gross runner-up by 6 shots with rounds of 72 & 76

He finished equal 5th on handicap with a nett 144

Well done again Billy.

Billy has taken the next step in his golf and is playing off scratch now after his outstanding effort in the SA Junior Masters at Royal Adelaide. Held over two days, January 10th and 11th the Masters consisted of 4 stroke rounds and Billy after 4 games of 77, 75, 70 and a final round of 69 came runner up against a field consisting of the best Juniors in Australia. The event was won by Brett Coretta from Victoria with Billy 3 shots back. He clearly won the best nett for the overall event. This follows up on the two most recent SA Golf Junior Open events where he came runner up again in both these events. He has clearly established himself as an elite golfer with an enormous opportunity to improve even further. He goes away later this month leading the SA Golf Country Junior Golf team to play against the Vic's. He has achieved all this playing as an Echunga player and continues to do a lot of his practice here during the week. Inevitably Billy will need to base himself more from Royal Adelaide Golf Club as his golf profile and commitments expand.

Many of our members are aware of how much work and effort he puts into his game and the quiet, deliberate way he approaches the game. Quite inspiring from the young 12 year old

attending a coaching clinic to.... where he is now 4 years later and just turned 16.

IQ Story

A guy goes into a bar in Louisiana where there's a robot bartender! The robot says, "What will you have?"

The guy says, "Whiskey." The robot brings back his drink and says to the man, "What's your IQ?"

The guy says, "168." The robot then proceeds to talk about physics, space exploration and medical technology.

The guy leaves, . . . but he is curious . . . So he goes back into the bar. The robot bartender says, "What will you have?"

The guy says, A "Whiskey." Again, the robot brings the man his drink and says, "What's your IQ?" The guy says, "100."

The robot then starts to talk about NASCAR, Budweiser, the Saints and LSU Tigers.

The guy leaves, but finds it very interesting, so he thinks he will try it one more time. He goes back into the bar.

The robot says, "What will you have?" The guy says, "Whiskey," and the robot brings him his whiskey.

The robot then says, "What's your IQ?" The guy says, "Uh, about 50."

The robot leans in real close and says, "SO, .. you golf?"

Just a thought

With sand bins on all tees, how about filling divots as you walk down the fairway? You will be able to fill your bucket on the next tee and you never know, maybe next time you play, your ball may end up in the divot you filled. I once read in a golf magazine that if every player repaired three pitch marks on every green they played then we would have no pitch marks on greens. So the next time you are waiting for your group to putt out how about looking around you to see if there are pitch marks you can repair. Both of these suggestions will help keep our course in the best possible shape and make your round more enjoyable.

Lying High

Two voices, one male and one female, overheard on a flight to Sydney from Singapore.

"I think everyone's asleep, let's go."

"This one's empty...nobody's looking...You go in first."

"It's a bit cramped - let me sit down."

"Have you got the condom? Quick - put it on."

Sniff.. Sniff...

"Ah perfume - you think of everything !"

"This is great...!" (long deep sighs)...

Suddenly a voice erupts over the intercom and then...

"This is the Captain speaking... To those two people in the rear toilet.

We know what you're doing and it is expressly forbidden by Airline Regulations....

Now put out those cigarettes and take the condom off the smoke detector!"

WE WON THE ASHES.

Q. What do you get if you cross the English cricket team with an OXO cube?

A. A laughing stock.

Q What is the height of optimism?

A: English batsman putting on sunscreen.

Q. What is the difference between an English batsman and a Formula 1 car?

A. Nothing! If you blink you will miss them both.

Q. What do English batsmen and drug addicts have in common?

A. Both spend most of their time wondering where their next score will come from.

Q. What does an English batsman who is playing in The Ashes have in common with Michael Jackson?

A. They both wore gloves for no apparent reason.

Q. What is the difference between Cinderella and the Pommies?

A. Cinderella knew when to leave the ball.

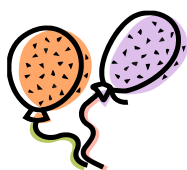

Q. What's the difference between the Pommies and a funeral director?

A. A funeral director isn't going to lose the ashes.

Sorry but so many sent me this one (including our past English member, Wayne Orwin) I had to include it.
