From the Editor . . .

Hi Fellow Golfers! Isn't the Echunga Golf Course back in great condition? What a great effort John and his crew have done in getting the course back to its best and working on some of the problem wet areas, with extra drains etc. With the course in great condition, the ball run returning and the greens in excellent condition, the question many are asking is, why last Saturday, with 135 players, we only had 3 players break par? Are we all still shaking out the winter cobwebs or is the course too difficult for us? If anyone has a logical theory for these results please put pen to paper and send me your ideas.

Don't forget the AGM is on Thursday October 30th at 7.30pm.

Nomination forms for the vacant Committee positions are available from the Club and close on Thursday the 2nd October at 5.00pm.

If you have any items of interest, achievements, stories and news etc. please send me an e-mail at ryeates@senet.com.au

Until next month, good golfing.

Captain's Report

Competition Score Cards

In recent weeks the Match Committee has encountered a number of occasions where cards are not entered into the computer system, whilst also not being placed into the grade boxes.

This is not only an annoyance for the match committee, as all cards are sorted through in an effort to find the missing cards, it can also have a major impact on the players handicap as it results in scores being entered into Golfink as

"No Score – Not approved"

Having 5 or more "No score - Not approved" scores within your last 20 live rounds will result in your handicap becoming "provisional" which means that it will no longer be valid and as such you won't be eligible to compete in ANY clubs competitions.

As such, players are asked to do the following for EVERY competition they enter.

1. Enter all competition scores into our computer system via the touch screen kiosk.
2. Place your card within the applicable grade box. Please take care to ensure you place your card within the correct box.
3. If you have been unable to complete your round for any reason, enter any completed scores into the computer system before stating the reason the round wasn't completed on the top of the card and placing within the grade box.

Note for Stroke rounds.

The above issue is always more prevalent during stroke rounds as often players do not complete their round fully. However the system now includes the same "wipe" option for scores during a stroke round, so scores can still be entered into the computer.

The new handicap system also converts all competition scores to Stableford scores automatically, so even if you do not complete a hole in a stroke round you can still enter your scores and have your round handicapped.

It may not win the club competition, but it could still affect your handicap.

ie. G. Norman, playing off a handicap of 18 starts really badly as he is 12 over through 4 holes before losing a ball on the 5th and disqualifying himself. He continues playing and is only 5 over for the rest of his round. He enters all individual holes scores into the system, which converts it into a Stableford score (in this scenario it would be a score of at least 34). This converts to a played to handicap which is in his best 8 and as such positively affects his handicap.

Whilst poor rounds are virtually inevitable, doing the above will ensure that your handicap remains current, whilst also assisting the match committee in quickly and easily winding up the club competition.

From the President

Finally the rain has eased and we can get back to what we like doing.

There are a few things coming up that I would like to bring to your attention.

AGM Thursday the 30th of October 2014 at 7.30pm

Put this date into your diary as it is an important night for the club. There are a number of Committee positions that are due for re-election.

I would hope that members will again demonstrate their support for the club, firstly by attending and secondly I hope that a number of members will put their hands up to be part of the Committee.

Sanding & Coring Of the Greens

On Tuesday the 16th of September weather permitting we will be sanding & coring the greens. This is a necessary part of looking after our greens and there are 3 main reasons this is done.

Removal of thatch. *This is to stop the greens going soft and spongy.*

Level the greens. *Remove holes and damage.*

Aerate the greens. *If this is not done the greens will compact due to constant traffic, harden and die.*

Out and About

Oakbank – Foursomes - 22nd August

We arrived on a pleasant, fine morning but were soon scurrying back to our cars having purchased books, apples, plants and gifts from the trading table. Echunga was well represented by Esther & Sue, Janet & Leonore, Sue & Janeen, Veronica & Priscilla and Wendy & Ros.

The fairways had been beautifully tidied and while there was not as much run as expected, the greens as usual were very tricky! We were encouraged and entertained by a trio of men who plied us with port and chocolate as we passed the Club House.

Captain Judy informed us that there was a field of 44 representing 11 clubs. The long drive on the 9th was almost on the green – an Underwood/Quast achievement. A Mannum pair also won the “mystery 9 holes” and the net, with 67½. Oakbank won the gross with 88.

Flagstaff Hill – 3BBB – 4th September

It seemed that Flaggie had a jinx on its open days. We feared a repeat of our drenching last month, but despite the forecast of rain, the day remained dry, although the air was heavy and the sky grey.

The course was in excellent condition with the expected roll on fairways and superfast greens, all enhanced by charming groups of small ducklings. With new incumbents in the Pro Shop, many players were very interested in the clothing bargains!

Val, Libby and I combined well, with Val being our steady backbone and Libby and I having occasional flashes of magic. Sue T played with two Stirling friends. There were 108 players (4 cancelled) from 13 clubs. There was a generous raffle, but we had no luck. In first place was a Flagstaff Hill team on 49 points, we came second with 47 on a countback from a Flagstaff Hill, West Lakes and North Adelaide combination. We were delighted to see that Team Strathalbyn received balls in the ball run down.

Kangaroo Island Ladies Golf Week

In the last week of August the three golf clubs on Kangaroo Island join together to run Ladies Golf Week.

As I was once again travelling over by myself, not able to convince anyone else to come, I was invited to stay with Jean and Dean Dennis, at their home in

Kingscote. Arriving on the Monday after a smooth trip on the ferry, we went off to see the Osprey nest at Bay of Shoals. This has been there ever since the Echunga ladies first made the trip over.

Tuesday was the first day of golf at Penneshaw, which as it is a 9 hole course, the game was Canadian Foursomes. I was paired with Sha from Parndana. The weather was fantastic, the food was awesome and the company great, the golf was average, getting used to the raking and scraping was a challenge. Some of the mainlanders from Blackwood were amongst the winners.

Wednesday was for touring and sampling the Island's many delights, the Blackwood ladies had way too much energy going on a six hour hike!

Thursday we played at Kingscote, the A grade played stroke, the rest Stableford. The weather continued in good form and I was happy to score 30 pts, but was far outdone by the 80 year old mother of the club captain! Following the great afternoon tea and raffle we were entertained by the Blackwood Ladies with a skit.

Friday saw the excellent weather continue for our game at Parndana. This course had a lot more water both as hazards and casual, and there is a lot of native bush. All the courses had been well prepared for us with lots of voluntary time and the local men were helpful with the scrapes.

After another mammoth afternoon tea, prizes were awarded with players from Blackwood and local ladies featuring among the winners. I won first prize in the raffle!

A great week was had by the eleven Mainlanders and all the locals. Hopefully more will be able to attend next year.

From the Committee

Evacuation assembly areas

The Management Committee wish to advise all members and persons using the Echunga Golf Clubrooms that in an emergency situation when an evacuation of the clubrooms is required there are TWO designated areas to assemble in. They are

1. Adjacent to the Practise Nets on the Northern side of the Clubrooms.
2. In the Southern car park near the entrance from Dolman Road.

External Clubhouse Toilets

Both the external toilets on the southern end of the Clubrooms are to be resigned as UNISEX toilets.

Confused

Are we playing Golf or Tennis?

A suggestion has been put forward that a Tennis umpire's chair be erected on the 18th tee block.

Are they that confident of getting a hole in one that they wish to see it drop in the hole?

Advice

An old man, a boy and a donkey were going to town.

The boy rode on the donkey and the old man walked.

As they went along they passed some people Who remarked "What a shame the old man is walking and the boy is riding."

The man and boy thought maybe the critics were right, so they changed positions.

Later they passed some people who remarked "What a shame, He makes that little boy walk."

So they then decided they'd both walk!

Soon they passed some more people who remarked "They're really stupid to walk when they have a decent donkey to ride."

So, they both rode the donkey.

Now they passed some people who shamed them by saying

"How awful to put such a load on a poor donkey?"

The boy and man figured they were probably right, so they decide to carry the donkey.

As they crossed the bridge, they lost their grip on the animal and he fell into the river and drowned.

The moral of the story?

If you try to please everyone,

You might as well ...

Kiss your ass goodbye!

JUNIOR CHAMPIONSHIPS.

On Saturday 28th August the Club's Junior Championships were held in brilliant conditions. Over 27 holes the juniors competed in the true spirit of competition.

At the end of the round it was...

John Norman (winner)

Kingsley Dawe (Runner-up)

Steven Cathie (Best Nett score)

We congratulate these competitors on their sportsmanship.

PENNANTS PLAYOFF.

Unfortunately our top Pennant team lost 5-2 in the playoff for the spot in Pennants Club Grade A held at Victor Harbor.

It was a gallant effort for the team to get this far.

Hopefully they will have better luck next time.

Psychiatrists vs. Bartenders

Ever since I was a child, I've always had a fear of someone under my bed at night.

So I went to a shrink and told him:

'I've got problems. Every time I go to bed I think there's somebody under it. I'm scared. I think I'm going crazy.'

'Just put yourself in my hands for one year,' said the shrink. 'Come talk to me three times a week and we should be able to get rid of those fears.'

'How much do you charge?'

'Eighty dollars per visit,' replied the doctor.

'I'll sleep on it,' I said.

Six months later the doctor met me on the street. 'Why didn't you come to see me about those fears you were having?' he asked.

'Well, Eighty bucks a visit three times a week for a year is an awful lot of money! A bartender cured me for \$10. I was so happy to have saved all that money that I went and bought me a new pickup!'

'Is that so?' With a bit of an attitude he said, 'and how, may I ask, did a bartender cure you?'

'He told me to cut the legs off the bed!'

Ain't nobody under there now!'

Forget the shrinks..

Have a drink & talk to a bartender!

The Will

Doug Smith is on his deathbed and knows the end is near.

His nurse, his wife Sarah, his daughter and two sons are with him.

So, he says to them:

"Bernie, I want you to take the Mayfair houses."

"Sybil, you take the apartments over in the east end."

"Jamie, I want you to take the offices over in the City Centre."

"Sarah, my dear wife, please take all the residential buildings on the banks of the river."

The nurse is just blown away by all this, and as Doug slips away, she says,

"Mrs. Smith, your husband must have been such a hard-working man to have accumulated all this property".

Sarah replies, "Property? He had a bloody paper round!"
