## From the Editor . . .

Hi Fellow Golfers! With both the Men's and Women's Championships under way at present it is a very busy time around the Club.

Congratulations to all who qualified and we wish you all the best in the finals.

Congratulations to Wendy Jackson on becoming the Golf SA Senior's Champion. Well done Wendy!

Congratulations also to John Norman on his election to the board of Golf SA.

The Management Committee welcomes Pete Edwards as Vice President unopposed after Greg Klatt withdrew his nomination for this position. Chris Button and I were elected to the vacant Committee positions unopposed after Mick Clarke withdrew his nomination.

Thanks to both members for their efforts on the committee, in particular Gregg who has served on the Committee in various roles for many years. Both will still be assisting the Club as Handicapper and Membership Manager.

Also put in your diary the Annual Trophy Presentation Night on Saturday 5<sup>th</sup> December – @ 6:30 for 7:00 pm start.

If you have any news items, stories, achievements etc. please drop them in the putter box on the bar or e-mail me at [ryeates@senet.com.au](mailto:ryeates@senet.com.au).

Until next month, good golfing.

## Life Membership

At this year's Annual General Meeting, Eric March was made a Life Member of the Echunga Golf Club, a well deserved honour in view of his commitment, contribution and passion for the club and members.

Eric joined the club in February 1997 and in October that year succeeded Peter Wass as Treasurer until October 2001. Eric rejoined the Committee in 2006 until the end of 2012 in the Secretary's role. The expertise Eric brought to both those roles coincided with a period which saw the club grow, prosper and develop as a significant community facility with strong membership, significant challenges and clear plans.

Eric was a key influence in the computerisation of club records, finances and communication, preparing the Putter for several years and the development of the club's website. He also ensured our legal responsibilities in areas such as Liquor Licensing and Corporate requirements were current and up to date. Occupational Health and Safety, Asbestos registers, HR Awards and Club Policies were also key areas of his contribution to the club.

In summary Eric is a member who is very passionate about the club and makes an effort to do stuff around the club whether it be helping to coordinate events, be a part of pennant teams, or get involved in the business end of the club. Eric for example was a key member of the process which resulted in the successful EGC Lease with Mount Barker District Council. He practically owns the first Tee time on a Thursday and Saturday, often hitting off before full light. He always argues that the club is for the members and should have the interests of the members as a priority and that the club needs to be accessible to the 'ordinary member' and not elitist.

In conclusion Life Membership for Eric March for outstanding and significant achievement fits very comfortably with Eric's contribution to the club. Well done Eric!

# Out and About

**South Lakes -12<sup>th</sup> October - Stableford**

Sue T and Janet played in this Southern Senior Women's Golf Group Competition: both were in fine form. Sue won A Grade with 39 points and Janet came second in B grade with 37 points.

**Highercombe – 30<sup>th</sup> October Stableford**

This was a pink day to raise funds for Breast Cancer Research. Sue T started on the 13<sup>th</sup> hole and I began on the 10<sup>th</sup> a long, hilly walk from the club house! The back nine is the kinder territory as the front nine is very hilly and there is much blind hitting (hence searching for the ball in the rough!) We enjoyed the camaraderie of the day and were gratified to both win longest drive in our respective grade (the 13<sup>th</sup> hole).

## The Cup Comes To Echunga

Not the Melbourne Cup, but SA Golf Senior Cup!  
This is a competition held annually at different courses by Golf SA for senior men and women players (60+) and this year it was played at The Vines.

**Winners—John Keough (Glenelg)**  
**Wendy Jackson (Echunga)**

There were only 9 ladies in the field, 6 players from Blackwood (all A grade), two from The Stirling and one from Echunga.

The course was in great condition with lots of run on the fairways, but trees and bunkers lurked for the wayward shots.

There was no worry to Wendy Jackson who won the Cup with a fantastic 71, on a c/b from previous winner Lorrie Brown (Blackwood).

The winner of the under 18 hcp div was won by Rosemary Underwood (Blackwood) (77) and the winner of the over 18hcp was Sybil Mulroney (78) from The Stirling.

Congratulations, Wendy!

## Junior Clinic 15<sup>th</sup> November

### Juniors –

Next clinic is on 15<sup>th</sup> November 3pm - the weather is looking fine - please remember to bring a hat and water bottle.

13th December - Xmas Family Ambrose game - we are hoping to have the use of some golf carts so bookings are essential!

If we have enough interest we will schedule in extra sessions during school holidays.

Please let us know if you would like to participate and which days/times would suit.

### Adults –

With the nice weather here and twilight games in full swing, consider having a coaching session at 3pm on the 2<sup>nd</sup> December - use it as a warm up or to fix something so you can practice during your 9-hole game.

I will be playing twilight from now on so if there is anyone keen to get their handicap cards in or just want to have a try at 9-holes, you are very welcome to join me.

Twilight games start at 4pm. I will be hitting off by 4.30pm.

## Facebook

**For those of my generation who cannot comprehend why Facebook exists:**

I am trying to make friends outside of Facebook while applying the same principles.

Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I have done the night before, what I will do later, and with whom.

I give them pictures of my family, my dog, and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch, and doing what anybody and everybody does every day.

I also listen to their conversations, give them the "thumbs up" and tell them I like them.

And it works just like Facebook.

I already have four people following me: two police officers, a private investigator, and a psychiatrist.

*"I see lots of trees, sand and water. Either you're going on a beautiful vacation, or you're a lousy golfer."*

A motorcycle police officer stops a driver for shooting through a red light.

The driver is a real bastard, steps out of his car and comes striding toward the officer, demanding to know why he is being harassed by the Gestapo!

So the officer calmly tells him of the red light violation.

The motorist instantly goes on a tirade, questioning the officer's ancestry, sexual orientation, etc in rather explicit offensive terms.

The tirade goes on without the officer saying anything.

When the officer finishes writing the ticket he puts an "AH" in the lower right corner of the narrative portion of the ticket.

He then hands it to the 'violation' for his signature.

The bloke signs the ticket angrily, and when presented with his copy points to the "AH" and demands to know what it stands for.

The officer says,

**"That's so when we go to court, I'll remember that you're an Arse Hole!"**

Two months later they're in court.

The 'violation' has a bad driving record with a high number of points and is in danger of losing his licence, so he hired a big gun lawyer to represent him.

On the stand the officer testifies to seeing the man run through the red light.

Under cross examination the defence attorney asks; **"Officer is this a reasonable facsimile of the ticket that you issued to my client?"**

Officer responds, **"Yes, sir, that is the defendant's copy, his signature and mine, same number at the top."**

Lawyer: **"Officer, is there any particular marking or notation on this ticket you don't normally make?"**

**"Yes, sir, in the lower right corner of the narrative there is an "AH" underlined."**

**"What does the "AH" stand for, officer?"**

**"Aggressive and Hostile, Sir."**

**"Aggressive and Hostile?"**

**"Yes, Sir."**

**"Officer, are you sure it doesn't stand for Arse Hole?"**

**Well, sir, you know your client better than I do.**

## Flashback!

On the Course...and around the Clubhouse...

### 20 Years ago

**CLUBHOUSE** - Unfortunately the new Club House has not proceeded as quickly as some members may have hoped, but I can now say that the Management Committee has finally approved a design which will be adequate for our needs. It will be basic and well within our budget although the total estimated cost of the Clubhouse, landscaping, sewerage connection and power to the building has not yet been completed.

**COURSE IMPROVEMENTS** - The last 12 months has seen our course mature into something of which we can now feel proud and with another a Summer behind it, it will even get better. We are finally playing the correct course now that the 17th tee, fairway & green are in operation. We are also upgrading the "old" nine watering system pop-up sprinklers. This project should be completed within 12 months.

Manchester to Melbourne, Perthshire to Palm Springs, the links on a Sunday morning get rather crowded no matter where, and veterans throughout the world get irritated by delays.

Mackenzie and Brown were playing their usual weekend match on the links at Echunga and were

"Hey," shouted Brown, "why don't you help your friend find his bloody ball"

"He's got his bloody ball," came the reply. "It's his bloody club he's looking for,"

## 15 Years ago

Lloyd Mitchell was somewhat taken aback when he drove past the Clubhouse with a bus load of school children from Meadows Primary School. All of the children removed their hats and saluted. I wonder who the school teacher is that makes them do that each time they drive past??? The same teacher took them on a tour of all the Golf Courses between here and Port Augusta when they went on a school camp to the Flinders Ranges recently.
