# Member Feedback

---

If members have concerns about the course or issues relating to the club these concerns are to be put in writing and forwarded by mail or email to the committee via the Secretary.

## Slow play

---

Players in groups guilty of SLOW PLAY may be penalized by either the Club Committee or the Match Committee.

It is the responsibility of the **ALL PLAYERS** in each group to ensure that his or her group is not involved in SLOW PLAY.

A round of golf should not take any more than 4 to 4 ½ hours.

## Dress Code

---

Members and Guests must wear neat dress at all times when playing.

Tank tops, singlets, football shorts, torn jeans are not permitted to be worn on the course or inside the Club House.

Hats should not be worn inside the Club House.

Smoking is not permitted inside the Club House.

## Course Care

---

All players must repair divots and pitch marks.

All players **MUST** carry and use a sand bucket at ALL times.

<b>Public Holiday Medal</b>	Aggregate stableford score of best 3 results during any of the public holiday competitions as listed. Open to all members. Main hit off at 9.00 am but members may play anytime during the day.

# Competition Types

---

## Stroke

The number of strokes taken on each hole is entered on the card and totalled to give the player a gross score. The players handicap is then deducted from the gross score, giving the player a net score. Both of these scores should be entered on the card

Competitions may be based on either the gross or net scores, in either case the player with the lower score will win

---

## Putting

*Often run in conjunction with a Stroke competition, the putting competition involves players also entering the number of putts they take on each hole on the card, which is totalled at the end of the round. A putt is any stroke which occurs when the players ball is on the putting green; therefore if a player putts when it lies off the putting green then this stroke will not count towards the total for the putting comp.*

---

## Stableford

Stableford involves the scoring of points for each hole based on the stroke index of the course. The stroke index is listed on the card in order of the hardest hole (1) to the easiest hole (18).

Players work out a par value for each hole based on the holes stroke index and their handicaps. For example if you have a handicap of 18 you will receive one shot per hole (eg a par 4 becomes a par 5).

Points are then calculated based on the score you shoot and your par for the hole with the basis being 2 points for a par. One under par would give you 3 points whilst one over would give you 1 point etc.

You cease play when you can no longer score. The player with the most points for the round wins.

---

# Competition Types continued

---

## Par

A par competition is played in a similar manner to stableford except that rather than players receiving points based how many under or over par they are players receive either a plus (+) for being better than par, a half or square (0) for play to their par or a minus (-) for a score worse than par

You are expected to cease play of a hole when you can no longer have a half. Plus and minus scores are then added up to determine the players overall score. The player with the highest score wins.

---

## Foursomes

Foursomes is an event in which two players play a stroke competition as partners using an single ball and alternating shots. The players also alternate tee shots (e.g. if Player A hits off on the odd numbered tees Player B must hit off on the even number tees). If either player incurs a penalty shot it does not alter the order of play.

This event may also be played in mixed teams of male and female, in which case the players play from their respective tee blocks when teeing off. Competitions can be based on both gross and net scores.

---

## Pinehurst

Sometimes called American Foursomes, Pinehurst involves two players both teeing off on a hole and then playing their second shots with their partners ball. From here they choose which ball they prefer and play proceeds as per a normal Foursomes competition so that if Player B hit the second shot of the chosen ball, Player A hits the next shot.

The team's handicap is determined by taking 3/8 of the aggregate handicaps of both partners.

---

# Competition Types continued...

---

Ambrose can be played in teams of two, three or all players hit off from the tee and select the ball ' which is in the best position. They then all play from this position by either (a) placing the ball within one club length if it is on the fairway (b) dropping the ball within one club length if it is in the rough or a hazard or (c) placing within 15cms if it is on the putting surface. Play continues in this manner until the ball is holed out.

## **Ambrose**

Whilst the best ball from the tee is selected all players within the team must hit a set amount of tee shots which are chosen. In a two person event this is 6 drives each, a three person event this is 4 drives each and in a four person event this is 3 drives.

Ambrose is scored as a stroke event with handicaps based on  $\frac{1}{4}$  of the players aggregate handicap for a two person event,  $\frac{1}{6}$  of the players aggregate handicap for a three person event and  $\frac{1}{8}$  of the players aggregate handicaps for a four person event.

---

## **4BBB**

4BBB or 4 ball better ball is based on the stableford scoring system but played in teams of two. Each player plays the hole as per a standard stableford event and at the conclusion of each hole whoever had the highest score for the hole has their score entered onto the card

Once you are unable to score you are expected to pick up. Scores are totalled at the end and the team with the highest number of points wins.

---

## **2 Card Aggregate**

Played in teams of two this competition is a normal stableford competition where the teams scores are combined for a final team total

# Safety Notice

---

The occupational Health, Safety and Welfare Act requires the employer to maintain a safe working environment. The Echunga Golf Club Management Committee expects members to co-operate with this Act to ensure we have a safe working environment for our ground staff. The main points are as follows:

<b>Green maintenance:</b>	<b>When the flag has been removed the green is out of play and golfers MUST NOT hit to the green until the flag is replaced.</b>
<b>Fairway &amp; rough maintenance:</b>	<b>Golfers MUST wait for a grounds staff vehicle or mower to pass behind or out of range before playing their shot. Alternatively golfers may be called on to play their shots by the operator.</b>
<b>Other situations</b>	<b>In all other situations golfers MUST receive acknowledgement from ground staff who are in range before playing their shots.</b>

Failure to comply with the above procedures could result in prosecution under the Occupations Health, Safety & Welfare Act and also action by the Echunga Golf Club Management Committee.

# Use of motorised (ride-on) buggies and carts

---

Members are able to use motorised (ride-on) buggies and carts in casual and club competition games except for Monthly Medal competitions, pennant matches and Club Championships where a medical certificate will be required to be given to the Match Committee.

Approval to use this type of equipment shall be given subject to the following conditions being met:

1. All buggies must receive committee approval for use on the course.
2. Buggies should ideally be designed for golf courses and must have wide, flat tires.
3. They can only be used on days as approved by the Match Committee.
4. They are driven in a safe manner so as not to create a hazard to other members.
5. The motorised vehicles are driven on the sides of the fairways.
6. They are not driven on teeing areas, greens or their surrounds
7. or any dam walls.  
The motor is turned off as players nearby are playing their shots.
8. The equipment is safe and properly maintained.
9. The users observe and obey all instructions from the ground staff
10. The users observe and obey all instructions from the Echunga Golf Club Management Committee.

Failure to comply with the above conditions could result in members losing their right to use a motorised vehicle along with possible further action by the Echunga Golf Club Management Committee.

# Reciprocal rights

---

The following clubs have entered into a reciprocal playing rights agreement with the Echunga Golf Club. When playing at any of these clubs members are reminded that they are doing so as ambassadors and representatives of the Echunga Golf Club and they are expected to behave accordingly.

Members are asked to inform the club being visited when they are booking a round that they are members of the Echunga Golf Club and produce their Golfink card as confirmation.

The Management Committee would appreciate any comments on clubs being visited. Members should also note that some clubs will charge a 50% green fee.
