

Round 3 turned out pretty good for us Echungans.

The A1's, C1's and C2's all had good wins while the B1's had another half.

The A1 team now has 6 points from 3 games but with the 2 toughest teams still to come. A win against either Lady Bay or Willunga will see them into the final.

The B1 team have 2 halves, giving them 2 points from 3 games, but it is a very tight division and so they aren't completely out of the hunt with 2 games to go.

The C1's have 6 points and are looking good to go through to the final, and the C2 team have 1 win, 1 loss and they have also had a bye, so they are right in the hunt for a finals berth if they keep on winning.

Players of the round are

Bill guy  
Craig Smith  
Darren Wilson  
Jaden McGlashan

I also have a team man award for Derek Jones, who filled in last minute in the A1 team and put up a brave effort, not winning his match but showing a genuine team first attitude. Derek is a shining example of what it means to be team and club man. There are some others around the place who may have lower handicaps than Derek, but are NAGA in comparison. There will be a \$30 club voucher for Derek paid out of the Pennants fundraising money.

Well done everyone. All of our teams are still in the hunt. Teams for next Sunday will be out later in the week.

Cheers  
Jamie.
