

G'day pennant people,

It was a pretty good start to the 2021 season for Echunga yesterday (21st March),

The A1's had a convincing win at home over the arch enemy, from Mt Barker, winning 4.5 / 2.5.

Wins came from Mike, Bill, Elliot, and myself. Viv had the Half. We welcome Naren Taverna back into the pennant team this year. He and Nathan went down to good opponents but both fought it out well and all can be happy with a good team effort. Special mention to Elliot who bewildered his opponent with a 4 hole birdie streak and 6 birdies in a 15 hole game is an outstanding performance!

The B1 team had a draw against McCracken played at Mt Compass.

Zelco, Hara and Bruce Agnew all chalked up wins Whist Derek Parrott squared his match. A draw is a pretty good start against a highly rated McCracken line up.

The C1 team had a very good win against Strathalbyn, winning 5 / 2 over at the Asston hills.

Darren Wilson, Derek Jones, Captain Henderson, Warren Ryan and Alan Bailey, all won their matches.

The C2's didn't fair so well this week down at Willunga loosing 1 / 6 against Nairne GC.

Bill Lewis was the lone winner in this team. The others I'm sure will be looking for redemption next week!

Biggest winners were:

Elliot Willgoose
Bruce Agnew
Martin Henderson
Bill Lewis.

You lot will probably win something for player of the week... I'll let you know soon what that might be....

The result sheets are attached.

Thanks to everyone for giving their time to represent the club.

Thanks to the green keepers and volunteers grounds for presenting the golf course in the best condition ever, in all of history!, for visiting teams. 5 teams of 7 players from different clubs all raved about how good the course is and especially the quality, speed and trueness of the greens.

Although we did have good results and played well as a club on week 1, we probably fell short in the looking dapper department, with the club uniform being quite varied from player to player. We might see if we can improve in that department in the coming weeks....

Teams will be out probably Thursday night for next weeks matches. There may be a few changes but I will try to keep the teams as stable as possible throughout the season.

Cheers, Jamie
