

Howdy Folks

Week 2 in pennants is done, and it was another pretty good week for our club. The A's and our C1 team had good wins again. The B team didn't quite get there against some quality opposition, and the C2's had the bye.

The A team went to the bridge expecting a tough day against the home team. The matches were all tough but in the end, we came out smiling, after claiming a solid win.

The winners were too many to mention, except for Nathan who chalked up his first pennant win for Echunga. Congrats to Nathan who was thrown in the deep end to play at number 2 in his debut last season. That's where he has stayed and has faced many of the toughest opponents every week, and has fought on well under real pressure yet falling just short, until yesterdays solid 5/3 win. Well done also to Hara who came up from the B's and scored a valuable halved match. Nathan wins player of the week.

The B team faced a formidable South Lakes line up. Some of the South lakes players have been known to play very good golf in the A1's in years past, so the Echunga boys have done OK. Looking through the program it seems to me that We have played the toughest 2 teams and will be every chance to win the remaining games and make a serious push for a finals birth. Special mention to Bruce Lenger who also chalked up his first pennant win at Echunga. Well done Bruce. Good wins also to Bruce Agnew and Derek Parrott for their wins too. These two are proving to be very consistent and solid performers in pennants, and I thank them for their performance and commitment to the Echunga pennant team.

This team can play finals I'm sure. Here's looking forward to them belting the remaining opponents and storming into the final!

Bruce Lenger wins the player of the week

The C1 team is used to winning, like they have shown for the past few seasons, and they continued on their merry way, winning a tight contest but winning none the less. Regular winner Warren Ryan is a very consistent performer, and won again, along with Alan the Bail-man, Darren bloody Wilson, and Peter (angry) Anderson. Rob Eibisch seems to be saving up his yearly win for the final again this year.

Alan Bailey was the biggest winner so he can take the prize for best player this week!

The C2 team had the week off unfortunately, due to some late program changes after Mt Compass pulled their team out.... because they are soft.... however I do believe that some of our players managed to wrangle a free game at Victor on Friday anyway!, so good on you, (you know who you are!)..... and well played!

A late mention to Bill Lewis who did also win his first pennant match last week, and on debut no less, so well done to Bill.

Easter is this week so we have lay down arms and cool our jets until the following week.

It's been a good start to the season and lets hope we can continue.

Cheers
Jamie
