From the Editor . . .

Hi Fellow Golfers! Isn't it great to get some rain and just what the course needed.

It doesn't seem like 25 years ago that the biggest achievement of the Echunga Golf Club since the building of our current Clubrooms, was the proposal to buy the farm on the opposite side of Echunga Road, opposite the oval.

The original request to the property owners was to buy water from the large dam on their property but, their countering offer was to purchase the whole property.

A SPECIAL GENERAL MEETING was to be held at 7.30pm Wednesday 11th April 2001 to hear the Management Committee's recommendation to purchase this property.

This proposal was passed by Club Members and hasn't it been the best investment we could have made, giving us an improved water supply and rental from both the land and the house.

The Foursomes Championships finals have been delayed for several reasons, but a full report will be in the next Putter.
The Autumn Classic will be held this Sunday and due to Easter on the first weekend in April this year our Opening Day Ambrose will be held on April 11th.

Due to the changes to the Women's Pennant season the Echunga Women's Open Day is to be held on Monday 20th April.

Don't forget the Club Championships start in early May

Wishing you all good golfing

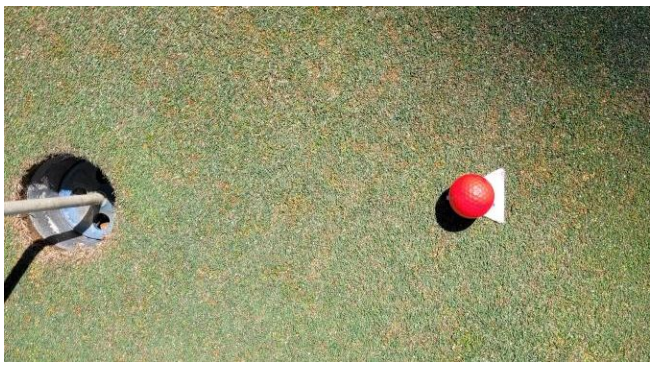
Marking Your Ball For Nearest The Pin:
I was asked recently how a ball should be marked on the green for nearest the pin during comps on Saturday and Thursday.
The correct way is that one of the points of the triangle marker is placed in line with the front of ball closest to the hole.
If we actually measured the distance between the ball and the hole we would measure to the front of the ball and write that measurement down.
This is the reason why we place the marker to the front of the ball.
See the following picture for reference.



VOLUNTEERS' REPORT

Every week we are cutting up fallen gum tree branches and wattle trees that have fallen over in the high winds or lost branches for the same reason.
One big dead branch of a pink gum provided enough seasoned wood to fill up the clubhouse storage bin in time for winter fires.
One set of steps at the 10th tee was removed, due to damage and the rubber mats on the other two were cleaned. As well, the rubber anti-slip mats on the 6th tee block were replaced with new ones.
Markers on all the tee blocks and the junior course ones have had grass trimmed back from their edges and they and the distance markers, have been painted.
Watering of the garden beds, once a week, continues although, as I type this, it is raining very heavily outside so we might get some respite.
If you would like to join us, we meet at the Clubhouse at 9am on any Tuesday.
No experience or tools are required, see you there!

Junior Coaching Clinics

Esther O'Young will now be holding Junior Coaching Clinics every fortnight on Tuesdays nights (school term only).
I have family and work commitments that need to come first
Format of clinics will be 4.30-5.30 beginners, 5-6 advanced. Combined time 5-5.30 will be short game drills.

BUT SHE URGENTLY NEEDS HELP!
If you are able to offer some time to help Esther she would be very much appreciative.

New Members

Welcome to the following new members who have joined or rejoined our Club over the past months.

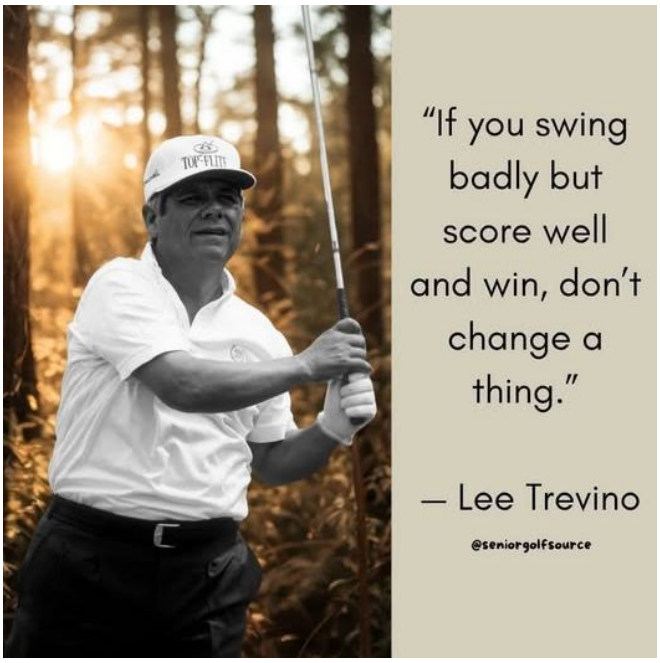
Ivar Stockhoff	Youth (18 – 21)
Charlie Flint	7 Day Junior

Welcome to Echunga Golf Club.
May you enjoy your golf and friendship with us.

Just a thought

With the heavy traffic recently from both Members and Green Fee players, there is quite a lot of unfilled divots on every fairway and unrepaired pitch marks on the greens.
With sand bins on all tees, how about filling divots as you walk down the fairway? You will be able to fill your bucket on the next tee and you never know, maybe next time you play, your ball may end up in the divot you filled.
There is nothing worse than finding your ball on the fairway, but in a divot.
So while you are waiting for your partner to hit up or for the group in front to move ahead, look around and fill any divots you see.
I once read in a golf magazine that if every player repaired three pitch marks on every green they played, then we would have no pitch marks on greens.
So the next time you are waiting for your group to putt out, how about looking around you to see if there are pitch marks you can repair. Both of these suggestions will help keep our course in the best possible shape and make your round more enjoyable.

A distressed man is in the cemetery crying his eyes out and beating a tombstone while shouting,
"Why did you have to die? Why did you have to die?"
A nearby man comes up to him and asks him,
"I'm very sorry, was she your wife?"
The distressed man looks up at him and replies,
"It was her first husband."



4 Worms in church

Four worms and a lesson to be learnt!!!

A Minister decided that a visual demonstration would add emphasis to his Sunday sermon.
Four worms were placed in four separate jars.
The first worm was placed in a jar of alcohol.
The second was put in a jar of cigarette smoke.
The third worm was put in a jar of chocolate syrup
The fourth worm was put in a jar of good clean soil.

At the conclusion of the sermon, the Minister reported the following results.

The first worm in alcohol ....dead
The second worm in cigarette smoke.....dead
The third worm in chocolate syrup.....dead
The fourth worm in good clean soil.....alive

So the Minister asked the congregation, "What did you learn from this demonstration?"

Maxine was sitting in the back, quickly raised her hand and said.
"As long as you drink, smoke and eat chocolate, you won't have worms."

That pretty much ended the service!

TORO Count on it.

CLUBHOUSE

The main topic of conversation during the last 12 months has been when, how & where are we going to get the new Clubhouse.

Although it was my wish to have the Clubhouse completed and in use by now, some unexpected problems arose and we are still waiting.

Following a plea for a qualified person to draw up a sketch of the clubhouse, I was contacted by Bob Jackson and his brother-in-law Trevor Whaites and the plans have now been drawn up and submitted to the Mt Barker District Council for their comments and approval.

An application for financial assistance has also been lodged with the Council and we should hear from them about this application within a few months.

When more information is available I will inform members via the Newsletter.

SPECIAL GENERAL MEETING
7.30pm Wed 11th April 2001
In the Club House

To consider the purchase of land which includes a large dam.

The Management Committee is confident that with the purchase of this property the Club's water problem will be solved for a considerable time and the financial future of the club will be stronger and more secure.

It also believes that because of the amount of money involved Club members should be involved in the final decision to purchase this property.

Cost of property $495,000 + costs.

Because of the need to complete the transaction within a certain time frame, the need to comply with the Club's constitution and the Easter Break, the Management Committee has no option but to hold this SGM on a weeknight and we trust you will be able to attend.

In accordance with the constitution only **"FULL"** members (those with 7 day membership) will be able to vote on the motion but other members are most welcome to attend and ask the Chairperson for permission to speak, for or against the motion.

More details of the land and financial arrangements will be displayed on the N/B or can be obtained from any member of the Management Committee.

This is a **VERY IMPORTANT MEETING** for the Club. The future of the Club could depend on your presence.
Make a note in your Diary **NOW.**

Despite the hype of the Australian grand Prix in Melbourne a strong field of 95 players hit off in the annual Echunga Open on Sunday 4th March.
Playing conditions were perfect with blue skies and mild temperatures and a course which had stood up well to the hot summer.

Congratulations to the winners and to Matt Hickman & Creagh Bedson who once again organised an excellent event.

Matt Hickman on the par five, 14th
On Saturday the 12/2/2011 Matt became the first Club Member to achieve this feat when he holed out with his second shot on the 14th hole from the 188metre mark.
When talking to Matt he said it was a lucky shot, but was thrilled to have holed out for 3 under par. A plaque will be placed at the position the shot was taken from to commemorate this achievement.
Well done Matt.

Last Saturday, 6th March was a very special and rare day at Echunga Golf Club

Bill Guy, who was determined to win another monthly medal, had what can best be described as a big day out.

Playing off +1 he

- **won the A Grade stroke round**
- **(64 Nett 65)**
- **won the A Grade putting comp with 23 putts**
- **won the A Grade monthly medal**
- **won the Medal of Medals Trophy**
- **won NTP on 7th, 10th and 17th**
- **set a new course record of 64**

Bill started with a respectable par round of the front 9 (35 off the stick with two bogies, 2 birdies and 5 pars).

But then things got wild - his back 9 of 29 strokes included six (yes 6) birdies and three pars. For an 18 hole score of 64.

A sensational feat and one that had Bill smiling and his playing partners in awe.

We all know he is a good golfer, but that is quite an exceptional round.

Make sure you offer you congratulations to Bill next time you see him.

Well done!

A Police Officer in a small town stopped a motorist who was speeding down the main street.

"But Officer," The man began, "I can explain"

Just be quiet, snapped the Officer.

"Im going to let you cool you heels in jail until the chief gets back."

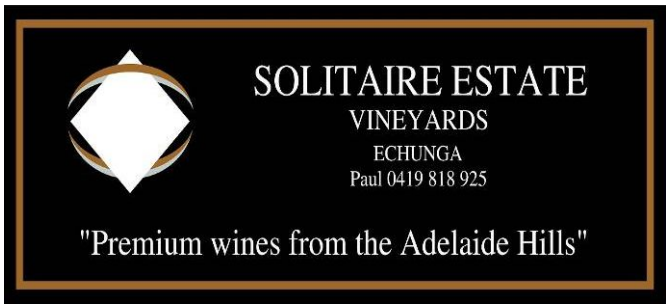
"But, Officer I just wanted to say" "And I said to keep quiet! You're going to jail."

A few hours later the Officer looked in on his prisoner and said, "Lucky for you that the Chief's at his daughter's wedding."

"He'll be in a good mood when he gets back."

"Don't count on it," answered the fellow in the cell,

"I'm the Groom."



This Month's Teaser

What is harder to catch the faster you run?

Answer next month

Last Month's Teaser

There is a word in the English language in which the first two letters signify a male, the first three letters signify a female, the first four signify a great man, and the whole word, a great woman. What is the word?

Answer: Heroine

Last night I was walking home and decided to take a shortcut past the cemetery.

Three girls walked up to me and explained that they were really scared to walk past the cemetery at night, so I agreed to let them walk with me.

I told them I understand, I used to be scared too when I was alive.

I have never seen anyone run that fast in all my life.

A blonde woman was walking down the street with her blouse open and her right breast hanging out.

A Cop was approaching from about a block away, thinking to himself, "My eyes must be going.
It looks like that woman is hanging out of her blouse.

"But, as he got closer, it became apparent that her breast was out of her blouse.

When the Officer got face to face with the woman he said' "Miss, are you aware that I could cite you for indecent exposure?"

"Why, Officer?" The woman asked.

"Well," said the Officer, "Your right breast is hanging out of your blouse."

The woman quickly looked down and screamed, "Oh my god! I left my baby on the bus!"

He gave him an exercise plan and told him to eat plenty of nuts because they help with cholesterol.

The Doctor asked which nuts, peanuts, walnuts or cashew nuts?
My uncle said "No Donuts!"
